I'm a Small Church Youth Worker!** Rich Grassel, 2002 Provides those in small church ministry, including volunteer part-time and full-time youth workers, with a process and procedure that enables them to address their particular needs as a small church. **Smaller Church Youth Ministry** Brad Fiscus, 2016-12-20 Smaller Church Youth Ministry highlights the big impact small churches can have on the faith journey of their young people. It is designed to encourage and help small churches start, build, and lead effective disciple-making youth ministry. Topics include a biblical foundation, practical helps, tools, and activities. **Four Views of Youth Ministry and the Church** Wesley Black, Chap Clark, Malan Nel, 2010-01-05 Join the conversation as experts propose, defend, and explore Four Views of Youth Ministry and the Church. In a dialog that often gets downright feisty, four youth ministry academicians delineate their distinct philosophical and ecclesiological views regarding how youth ministry relates to the church at large and leave a taste of what's profound and what's not in these four typologies. Inclusive congregational Malan Nel: What happens when a church thoroughly integrates its adolescents, making them full partners in every aspect of congregational life? Preparatory Wesley Black: Why and how should a church consider its teenagers as disciples in training and its youth ministry a school of preparation for future participation in church life? Missional Chap Clark: What does a church look like whose youth ministry does not necessarily nurture church kids but is essentially evangelistic? Whose youths and youth workers are considered missionaries? Strategic Mark Senter: How feasible is it for a youth ministry to become a new church on its own, the youth pastor becoming the pastor and the new church planted with the blessing of the mother church? In Four Views of Youth Ministry and the Church, solid academic writing and an inviting tone and design create a compelling text for both in the field practicing youth workers and undergraduates and graduate students. **Reaching a Generation for Christ** Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed. The Truth has not. The 1950s are gone.
