Secrets of the Sideshows Joe Nickell,2005-09-09 The carnival sideshows of the past have left behind a fascinating legacy of mystery and intrigue The secrets behind such daring feats as fire eating and sword swallowing and bizarre exhibitions of human oddities as Alligator Boys and Gorilla Girls still remain only grudgingly if ever given up by

performers and carnival professionals Working alongside the performers Joe Nickell blows the lid off these mysteries of the midway The author reveals the structure of the shows specific methods behind the performances and the showmen s tactics for recruiting performers and attracting crowds He also traces the history of such spectacles from ancient Egyptian magic and street fairs to the golden age of P T Barnum s sideshows With revealing insight into the personal lives of the men and women billed as freaks Nickell unfolds the captivating story of the midway show Small Cattle for Small Farms Margo Hayes,2016-01-21 Small cattle breeds are manageable to control and care for and perfect for lifestyle blocks and small farms They can be bred commercially for beef but their docile temperaments and small size also make them especially suitable for hobby farms As more people have turned to the country for a tree change interest in these breeds has grown tremendously In this new edition of her popular book Small Cattle for Small Farms award winning cattle breeder Margo Hayes provides practical and easy to understand information for people interested in keeping small cattle for a range of reasons The book assumes no prior experience with cattle and covers all the basics to help you set up an enjoyable and viable small farm including types of cattle and production systems available how to select your stock explanations of equipment required and basic cattle husbandry It contains simple explanatory diagrams and photographs to make new concepts clear With new and expanded sections on small cattle breeds genetics and breeding systems this second edition competently addresses questions asked by those entering small farming for the first time while providing a solid reference for those already in the industry Detailed guidelines for raising healthy cattle through good nutrition land management and herd monitoring are provided in addition to tips for showing and marketing your cattle and up to date government requirements for land and stockowners

The Mythology of the Animal Farm in Children's Literature Stacy E. Hoult-Saros,2016-07-21 The Mythology of the Animal Farm in Children s Literature Over the Fence analyzes the ways in which myths about farmed animals lives are perpetuated in children s materials Specifically this book investigates the use of five recurring thematic devices in about eighty books for young children published during the past five decades The close readings of texts and images draw on a wide range of fields including animal theory psychoanalytic and Marxian literary criticism child development theory histories of farming and domestication and postcolonial theory In spite of the underlying seriousness of the project the material lends itself to humorous and not overly heavy handed explications that provide insight into the complex workings of a literary genre based on the covering up of real animal lives **Cow Defender** Steven Long,2006-03 I ve lived two lives one as Steven Long one as Cow Defender **A History of the Earth, and Animated Nature** Oliver Goldsmith,1823 An History Of The Earth, And Animated Nature Oliver Goldsmith,1776 **The Giant Encyclopedia of Kindergarten Activities** Kathy Charner, Maureen Murphy, Jennifer Ford,2004 Presents more than six hundred kindergarten activities and practical teaching tips covering art literacy math science and nature social development and fine and gross motor skills and such facets of the day as the morning greeting circle time rest or nap time and outdoor play 2100+ MCQs with Explanatory Notes For
