Croatia Piers Letcher, 2016-03-05 [PRIME APR MAY 2013](#), 2013-04-01

The Way We Write Barbara Baker, 2006-07-30 This book is a unique collection of interviews with award winning writers Each writer discusses their process why they write whom they write for where and how often they write recurring themes problems and achievements The interviews are intimate honest informative and often humorous Together they offer a fascinating insight into the experience and hard work behind successful writers This engaging collection is sure to appeal to anyone who loves reading or has ever wanted to be a writer

Planning for Learning through Recycling Rachel Sparks Linfield, 2012-11-08 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of recycling The Planning for Learning series is a series of topic books written

around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of recycling Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children s topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include what we can recycle and recycling paper clothes and toys

Teaching Essential Literacy Skills in the Early Years Classroom Tara Concannon-Gibney, 2018-11-12 Teaching and learning literacy in the early years can be a joyful explorative and meaningful experience This accessible book will give teachers and practitioners the practical and theoretical skills and knowledge they require to successfully and confidently teach reading writing and oral skills in the early years classroom Foregrounding the ways in which literacy instruction can be made enjoyable and meaningful from the very beginning Teaching Essential Literacy Skills in the Early Years Classroom explores the theory and practice of teaching various aspects of literacy and language from phonological awareness phonics and fluency to vocabulary and comprehension Chapters draw on the latest research to identify and showcase best practice in writing instruction illustrate how language and literacy can be developed through play and outline how a teacher might use the environment to enhance children s learning Downloadable resources examples of planning classroom activities and vignettes can be quickly and easily adapted for use in any early years setting A rich and comprehensive source of information ideas activities and tips this will be a key resource for pre and in service teachers and practitioners looking to adopt a cohesive effective and meaningful approach to literacy teaching and learning

Tale, Performance, and Culture in EFL Storytelling with Young Learners Licia Masoni, 2019-10-10 This book analyses the interplay between storytelling with specific reference to oral retellings of authentic picture books language learning culture and emotions in the EFL pre school and primary classroom Using a multidisciplinary approach it applies oral narrative studies as well as research on shared reading with children and literature in picture books to foreign and second language teaching theory and practice while also discussing the impact of EFL storytelling on intercultural understanding Although specifically conceived for teaching English as a foreign language most contents apply to foreign second language teaching to young children in general

The Road to Writing Sue Cowley, 2012-11-02 The Road to Writing takes early years practitioners on a journey the journey young children make when they learn their first words and make their first marks Sue Cowley offers activities and practical advice to inspire practitioners to try a wide range of creative approaches to improve mark making in the early years There are ideas for building finger strength and eye to hand coordination activities to help children to understand the concept of symbols and signs and strategies for building confidence in writing and reading You can find your way through the book by following the signposts and you ll find plenty of interesting diversions along the way to develop children s key skills and motivation This accessible book includes bulleted lists photographs of children writing and

examples of early marks to illustrate how children's communication skills develop Sue also gives tips on getting boys engaged in writing and there is a companion website with downloadable resources and useful links This book is an invaluable source of inspiration for all early years practitioners and parents of children aged 3-7 **Using Literature in English**

Language Education Janice Bland, 2018-08-23 Covering Green's The Fault in Our Stars Collins The Hunger Games Selznick's The Invention of Hugo Cabret Rowling's Wizarding World Staake's Bluebird and Winton's Lockie Leonard contributors consider how literature can be used for teaching literary literacy creative writing intercultural learning critical pedagogy and deep reading in school settings where English is the teaching medium Leading scholars from around the world explore pedagogical principles for English Language Teaching (ELT) widening children's and teenagers' literacy competences as well as their horizons through insightful engagement with texts From challenging picturebooks for primary and secondary students to graphic novels to story apps film and drama as well as speculative fiction on provocative topics recent research on literature education in ELT settings combines with cognitive criticism in the field of children's young adult and adult literature **Teaching and Learning English in the Primary School** Gila A. Schauer, 2019-10-11 This book is the first

comprehensive investigation of interlanguage pragmatic issues in a primary school context that is based on both primary school teachers' statements on their own teaching realities views and preferences and a thorough investigation of materials used by teachers and recommended by teacher educators in the state the primary schools are located in It offers a contrastive analysis of primary school learners acquiring English in a typical English as a foreign language school context and their age peers in the same state that are exposed to English in a school immersion context This book will be of interest to scholars researchers educators in higher education that focus on English language teaching second language acquisition and applied linguistics It is also intended for students who are planning to become primary school teachers of English as a foreign language **Teaching English in the Primary School** Annika Kolb, Marita Schocker, 2021-11-15
