Can Snail find happiness out here or will he wish he never left his bucket. In his next adventure Snail eats too many strawberries his favorite food and makes himself sick. Starting Out Right National Research Council. All parents hope to give their children the best possible start in life. Many of them know it's a good idea to read to their children at a very young age not with the goal of teaching their kids to read but with the joy of having special time together looking at pictures and playing with words. Carefully chosen books that introduce children to the pleasures of language, simple story structure and wonderful artwork are the foundation for a future love of books. *Great Books for Babies and Toddlers* is the first book of its kind, a guide to the best age appropriate children's books available.
