**So You Want to Start a House Church?** Frank Viola, 2005-01-01      **The Theology of Dallas Willard** Gary Black Jr., 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith      Starting a House Church Larry Kreider, Floyd McClung, 2007-04-05 There s a new way of doing church and it s taking North America by storm Here a recognized authority on the house church movement and a popular speaker and pastor share their expertise in starting and maintaining a healthy house church Together they look at current and future trends in the house church movement and provide best practice models for planting and leading house churches Also they explore how house churches are not always the same as simple cell groups or small groups especially in the areas of leadership and money Readers will discover all the information they need to begin a house church in their community      **So You Want to Start a Chronic Illness / Pain ministry** Lisa Copen, 1998      **House Church - Simple, Strategic, Scriptural** Steve Atkerson, 2021-07-17 Lead a small church New Testament Church Dynamics is perfect for you Unlike many church growth books we present proven Biblical strategies to grow your church both spiritually and numerically These are not theories cooked up in an ivory tower Our network of churches lives these principles out in multiple cultures and countries around the globe By following Scriptural strategies our unity participation purity community size love and evangelistic fervor have grown dramatically Our joy is helping leaders of small churches follow Christ s model for church practice and planting      *Renewing the Evangelical Mission* Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian s calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis Vidu and Miroslav Volf      The Global House Church Movement Rad Zdero, 2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book      **Discovering Church Planting** J. **Church Comes Home** Dave Barnhart,2020-09-15 People have lost faith in all collective institutions government corporations the media and the church We are in the midst of a spiritual disaster a flood of biblical proportions and house churches provide lifeboats for people who are seeking a more authentic life giving form of Christian community Many people remember that the early church started in homes but they don t understand that house churches are still a legitimate and viable model today House churches can create the intimacy so many people are hungry for They can nurture life changing discipleship for individuals and create justice centered communities Networked house churches can become truly diverse multi ethnic communities that spread the Gospel by emphasizing practices over programs These communities de center the preacher opting instead for grassroots organizing but they are not leaderless they are leader full This book provides an alternative model for denominations and established churches to consider It will help pastors reconnect with the traditions of community organizing itinerant preaching and discipleship training that sparked Methodism and other church movements in the United States

**Creating a Scene in Corinth** Reta Halteman Finger, George D. McClain, 2013-05-16 Creating a Scene in Corinth imaginatively draws readers into Chloe's house church which has just received a letter from their church planter the apostle Paul Using group simulation the book brings to life scholarly research on how the gospel penetrated the Roman Empire As participants role play early believers and debate with each other they gain new insights and will never read 1 Corinthians the same way again First century Corinthians were just as human as church people today They did not consider Paul's letters authoritative Scripture when he wrote them so lively group discussion and debate are encouraged This method of Bible study works for many levels from youth groups to Sunday school classes or in college and seminary courses SUPPLEMENTARY WEB RESOURCES A Visit to Ancient Corinth slide presentation 9 MB Time Travel to Ancient Corinth slide presentation 12 MB Publicity Announcement for Adult Sunday School Simulation of 1 Corinthians 64 KB Representative Speeches from Chloe's House Church 66 KB Worshiping with the Corinthians 684 KB A Visitor's Guide to Corinth 59 KB Extra Material for Character Development in Corinth 64 KB Using Creating a Scene in Corinth A Simulation in College or Seminary 123 KB Corinthian Characters in Chloe's House Church 104 KB
