**Selected Lyrics** Cole Porter,2024-11-12 Cole Porter possessed to a singular degree the art of expressing depth through apparent frivolity The effervescent wit and technical bravura of his songs are matched by their unguarded revelations of feeling In the words of editor Robert Kimball Porter wrote tellingly of the pain and evanescence of emotional relationships He gently mocked propriety and said that few things were simple or lasting or free from ambiguity Of the masters of twentieth century American songwriting Porter was one of the few who wrote both music and lyrics and even in the absence of his melodies his words distill an unmistakable mixture of poignancy and wit that marks him as a genius of light verse Selected from over eight hundred songs here are Porter s finest flights of invention lyrics that are an indelible part of 20th century culture Let s Do It Love for Sale I Get a Kick Out of You Anything Goes In the Still of the Night I Concentrate on You and dozens more About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics      *The Way Home to Love* Maresha Donna Ducharme,2017-08-01 The Way Home to Love interprets the sacred mysteries and esoteric principles of spiritual understanding It also explores the themes of personal practice in consciousness and how one can find the keys to inner peace If Jesus Buddha Krishna Muhammad and the Divine Mother were to meet in conversation what would each think of the others spiritual points of views Maresha has been engaged in a decades long dialogue between the many comparative traditions and distills the essence of unity and understanding held within the heart of all spiritual traditions Composed in a state of meditative awareness and clarity Maresha explores the intersection of what is universally sacred and how to find within oneself this wellspring of love and peace This book is designed to help the reader to successfully reveal the peace that dwells within ones own heart This body of teaching transcends religion by extracting the essential spiritual truths that are the foundational guide to the power of personal transformation The talks and spiritual teachings in this book were given at gatherings and retreats for spiritual students and seekers at Snow Dragon Sanctuary Each one is an inspiration reminding us how to live a conscious life Each one helps us to remember the true nature of love and the guiding principles of spiritual living how to be peaceful beautiful and more deeply connected to God and how to sustain and nurture our faith      *Choosing*
