So Far So Good:

So Far so Good Justyn Credible, 2017-10-04 In this humorous inspirational story of Rhonda's antics, failures and ultimate understanding of who she was meant to be, the author's wit and Rhonda's character come to life. **So Far, So Good** Kathy Beechem, 2011-07 Pete Nadherny was the CEO of his own business in Cincinnati when he learned he had a brain tumor. His wife and the author of this book, Kathy, was a bank executive who traveled every week as part of her job. About their story, *So Far So Good*, she writes: When Pete found his brain tumor, we both realized that this changed everything. Both of us quit working. Pete's prognosis was grim. He had a grade IV Glioblastoma Multiforme brain tumor with an estimated life expectancy of six to eleven months. So began the journey captured in this memoir. Pete had two brain surgeries, participated in a clinical trial, had six weeks of radiation, over thirty MRIs, had blood clots and nearly died once of pneumonia. Pete's attitude toward his illness was amazing. He was a fighter, always focused on living, not dying. When people asked how he was doing, he would say, *So Far So Good*. Pete lived twenty-five months, and we had an amazing adventure together. Details of Pete's treatment and our trips are captured real time in the carepage entries we made to allow those following us to stay current over these twenty-five months. The carepage entries are included in the book. Our site had over 26,000 hits over those twenty-five months. Pete's death on Jan 26, 2008, was described on our carepage. The other dimension to this memoir is the spiritual journey Pete and I experienced as Pete faced his own death. *So Far So Good* is a love story about two people coping with an awful disease together, deepening our love for each other along the way. Proceeds will benefit the University of Cincinnati Brain Tumor Center. UCBrainTumorCenter.com <http://SBPRA.com> Kathy Beechem [So Far, So Good](#) David Lemon, 2000-04 How old is old? It depends upon who you ask. How does it feel to be 80 and sick? In this book, Dr. Lemon asks his patients and listens to them and lets us in on their collective wisdom. John, an Iowa farmer, struggles his way through the health care system, emerging as a man with a new heart, both in fact and in spirit. Ruby tells us, "I am too busy to get old; you gotta laugh." Ione inspires us. She is 92, blind and crippled. She still dances around her walker. The people, their stories, and their faith warm our hearts and make us less afraid as we progress on the journey we all must travel. **So Far, So Good** Ralph Salisbury, 2020-04-01 Bullet shattered glass clatters onto his baby bed; he wakes and cries out into darkness. Does he remember this? Or remember being told, "Regardless, he feels it and will feel it again." Bomb bay wind buffeting his eighteen-year-old body a mile above an old volcano's jagged debris, and yet again staring at photos of Korean orphans huddled homeless in a blizzard after a bombing in which at twenty-five he'd refused an order to join. It is through such prisms of the past that Ralph Salisbury's life unfolds, a life that eighty years in the making is also the life of the twentieth century. Winner of the River Teeth Literary Nonfiction Prize, *So Far So Good* is a sometimes strange, sometimes lyrical and often humorous attempt by an inveterate storyteller to recount just things as they were. The survivor of a lightning strike, car and plane mishaps, explosions, bullets, a heart attack, cancer, and other human afflictions, Salisbury wonders, "Why should anyone read this?" The book itself resoundingly answers this.

question not merely with its sheer eventfulness but also in the prodigious telling Salisbury takes us from abject poverty in rural Iowa during the Great Depression with a half Cherokee father and an Irish American mother through war and peace and protest to the freedom and solace of university life and it is in the end so far so good **So Far, So Good** Ross Fitzgerald, Antony Funnell, 2018-09-01 Professor Dr Grafton Everest's latest outrageous entertainment takes us to London and New York after a series of hilarious meanderings in the land of Oz So Far So Good centres on our hapless professor's obsession with food and fame his relationship with his increasingly independent wife Janet their wayward and soon to be married daughter Lee Anne and his much loved terrier Maddie This cleverly plotted satire exposes the sad state of universities and of what now passes for politics in the West Our obsession with technology our fear of outsiders and our distrust of elites also come in for a pasting Caught in a series of concentric conspiracies Grafton manages to save the day save the world and even launch Australia on the road to a republic Well known author and commentator Professor Ross Fitzgerald and Antony Funnell of ABC Radio National's Future Tense fame have produced the funniest Grafton Everest novel yet The previous Grafton adventure Going Out Backwards was shortlisted for the 2017 Russell Prize for Humour Writing
