Soapy Smith

Catherine Holder Spude

Soapy Smith:

"That Fiend in Hell" Catherine Holder Spude, 2012-09-28 As the Klondike gold rush peaked in spring 1898 adventurers and gamblers rubbed shoulders with town builders and gold panners in Skagway Alaska The flow of riches lured confidence men too among them Jefferson Randolph Soapy Smith 1860 98 who with an entourage of bunco men conned and robbed the stampedeers Soapy though a common enough criminal would go down in legend as the Robin Hood of Alaska the uncrowned king of Skagway remembered for his charm and generosity even for calming a lynch mob When the Fourth of July was celebrated in 98 he supposedly led the parade Then a few days later he was dead killed in a shootout over a card game With Smith's death Skagway rid itself of crime forever Or at least so the story goes Journalists immediately cast him as a martyr whose death redeemed a violent town In fact he was just a petty criminal and card shark as Catherine Holder Spude proves definitively in **That Fiend in Hell** Soapy Smith in Legend a tour de force of historical debunking that documents Smith's elevation to western hero In sorting out the facts about this man and his death from fiction Spude concludes that the actual Soapy was not the legendary boss of Skagway nor was he killed by Frank Reid as early historians supposed She shows that even eyewitnesses who knew the truth later changed their stories to fit the myth But why Tracking down some hundred retellings of the Soapy Smith story Spude traces the efforts of Skagway's boosters to reinforce a morality tale at the expense of a complex story of town building and government formation The idea that Smith's death had made a lawless town safe served Skagway's economic interests Spude's engaging deconstruction of Soapy's story models deep research and skepticism crucial to understanding the history of the American frontier **Alias Soapy Smith** Jeff Smith, 2009 **Soapy Smith**

Charles River Editors, 2019-09-27 Includes pictures Includes a bibliography for further reading Before there was Charles Ponzi there was Jefferson Randolph Soapy Smith II The famed Old West con artist and gangster's criminal career ranged from Texas to Alaska from Denver to the Klondike But Smith was not predestined to become a criminal if genetics and environment typically determine one's destiny he could have become a farmer a lawyer or a politician He was born in Coweta County Georgia on November 2 1860 to Jefferson Randolph Smith Jr and Emily Dawson Smith right as the Southern society his family was a part of was on the verge of suffering the cataclysm of the Civil War Like many men in the years after the Civil War Soapy would make his way west where frontier towns often popped up immediately and were established long before the law could reach them At the same time the Civil War had come less than 15 years after the California Gold Rush brought an estimated 300 000 people to the Pacific Coast with men dangerously trekking thousands of miles in hopes of making a fortune This was a pattern that would repeat itself across the West anytime a mineral discovery was made from the Southwest and Tombstone to the Dakotas and Deadwood Of course it was all made possible by the collective memory of the original gold rush and when gold was discovered in the Yukon and Alaska almost 50 years after the rush in California it drew tens of thousands of prospectors despite the unforgiving climate Mineral resources had gone a long way in the United States

acquiring Alaska a generation earlier but the lack of transportation kept all but the most dedicated from venturing into the Yukon and Alaska until the announcement of the gold rush. For a few years the attention turned to the Northwest and thanks to vivid descriptions by writers like Jack London the nation became intrigued with the idea of miners toughing out the winter conditions to find hidden gold. Of course despite the mythology and the romantic portrayals that helped make the Klondike Gold Rush most of the individuals who came to make a fortune struck out instead. The gold rush was a boon to business interests which ensured important infrastructure developments like the railroad and the construction of westward paths but ultimately it also meant that big business reaped most of the profits associated with mining the gold. While the miners are often remembered for panning gold out of mountain streams it required advanced mining technology for most to make a fortune. In most places where miners showed up the real money lay in mining the miners something Soapy Smith would quickly come to understand and use to his advantage. Utilizing a famous con involving soap prizes Soapy would earn his nickname while also possessing outsized influence in various forms of swindling from shady political dealings to outright fraud. His reputation as a criminal began to spread yet he still plied his trade across the frontier and ultimately to the Northwest at the height of the Klondike Gold Rush where he would meet his fate and cement his legend. Soapy Smith: The Life and Legacy of the Wild West's Most Infamous Con Artist looks at the controversial times and crimes of the Western huckster and the career that led to a notorious end. Along with pictures depicting important people, places and events you will learn about Soapy Smith like never before. *The Ballad of Soapy Smith* Michael Weller, 1985 Soapy Smith Stan Sauerwein, 2005. In 1897 the Klondike Gold Rush brought thousands of hopeful prospectors to the North. With them came many scoundrels and swindlers who were willing to do whatever it took to separate unsuspecting targets from their hard earned cash. No swindler was more successful at his craft than Jefferson Randolph Soapy Smith who ruled Skagway, Alaska with a quick hand and a scheming mind. This book explores his most outrageous escapades. *The Rough Guide to Alaska* Paul Whitfield, 2004. The Rough Guide to Alaska is the indispensable guidebook to one of the world's greatest adventure destinations. The Rough Guide will ensure the reader gets the most from their time in this extraordinary region. The opening pages feature a full colour introduction to Alaska's highlights with inspirational photography of the stunning sights and activities on offer from viewing the ethereal glow of the Northern Lights to cruising the epic highways. There are evocative accounts of the state's vast wilderness from the majestic peak of Denali to the glaciers of Prince William Sound and lively reports on Anchorage, Fairbanks and all Alaska's rough hewn towns. There is also expert advice on the multitude of outdoor activities such as hiking, mountain biking, rafting, fishing and kayaking plus lesser known activities such as panning for gold or riding a husky sled. **The Gifts of the Magi** Randy Courts, Mark St. Germain, 1995. THE STORY It is Christmas in New York but for two young lovers Jim and Della the prospects are bleak as both are out of work and penniless. But as those familiar with the famous O. Henry story are aware their dilemma is solved when both part **Alaska: A Guide to Alaska,**

Last American Frontier ,1976 **Speaking Ill of the Dead: Jerks in Colorado History** Phyllis Perry,2011-06-01
Speaking Ill of the Dead Jerks in Colorado History features 17 short biographies of notorious bad guys perpetrators of mischief visionary if misunderstood thinkers and other colorful antiheroes from the history of the Centennial State **Good Time Girls of the Pacific Northwest** Jan MacKell Collins,2020-02-24 Throughout the development of the American West prostitution grew and flourished within the mining camps small towns and cities of the nineteenth century Pacific Northwest Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the hazards of disease drug addiction physical abuse and pregnancy They dreamed of escape through marriage or retirement but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today **Stampede** Brian Castner,2021-04-13 A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897 98 One hundred thousand men and women rushed heedlessly north to make their fortunes very few did but many thousands of them died in the attempt In 1897 the United States was mired in the worst economic depression that the country had yet endured So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon a mob of economically desperate Americans swarmed north Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet in winter yet woefully unprepared with no experience at all in mining or mountaineering It was a mass delusion that quickly proved deadly avalanches shipwrecks starvation murder Upon this stage author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it A young Jack London who would make his fortune but not in gold Colonel Samuel Steele who tried to save the stampeders from themselves The notorious gangster Soapy Smith goodtime girls and desperate miners Skookum Jim and the hotel entrepreneur Belinda Mulrooney The unvarnished tale of this mass migration is always striking revealing the amazing truth of what people will do for a chance to be rich *God's Reflections* Ronald Ian Phillips,Ernest Schmidt,David Grotzke,Seth Grotzke,2022-04-07 Using a unique and ground breaking approach that combines religion with American history these four authors masterfully present a thoroughly researched and captivating account of fifty two inspirational stories of America s exceptionalism intricately woven with God s truths Each story connects the life giving honesty of the American people with a life shaping application from the gospel Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs We are not the light just the reflection if we stand close enough to the Source The further we move away from God s will for our lives the more we stumble in the dark But as believers we know there is an all powerful force that will lift us up and help us to walk in the light The goal of God s

Reflections Biblical Insight from America's Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ

Texas True Crime Miscellany Clay Coppedge, 2021-07-26 Outrageous acts of villainy have slowly drifted out of the national limelight and into the dustbin of Texas history Consider the uproar over the 1879 shooting of actor Maurice Barrymore in Marshall and the 1949 murder of oil field legend Tex Thornton in Amarillo The 1909 Coryell County Courthouse massacre committed by a sixteen year old girl remains just as shocking today For the long suffering associates of repeat offenders like Fort Worth's Flapper Bandit or Temple's International Man of Mystery notoriety couldn't fade quickly enough From the lawless days of the frontier to the rise of organized crime Clay Coppedge sifts through eighteen obscure case files to chart the evolution of crime and punishment in the state **Railway Conductors' Monthly**, 1920 **The Railway**

Conductor, 1920 Gold Fever Rich Mole, 2011-02-01 In 1897 tens of thousands of would be prospectors flooded into the Yukon in search of instant wealth during the Klondike Gold Rush In this historical tale of mayhem and obsession characters like prospectors George Carmack and Skookum Jim Skagway gangster Soapy Smith and Mountie Sam Steele come to life Enduring savage weather unforgiving terrain violence and starvation a lucky few made their fortune and some just as quickly lost it The lure of the North is still irresistible in this exciting account of a fabled era of Canadian history **Frontier**

Gambling G. R. Williamson, 2012-05-15 E Pub edition **Haunted Creede** Kandra Payne, 2011-10-20 Contains some of the most treasured stories of the historical mining town and it comes with a spooky twist A well written account The Mineral County Miner Brave men and women came to seek their fortunes in the rough and tumble boomtown of Creede Colorado Miners merchants dance hall girls gunslingers and gamblers still haunt its streets and halls How many ghosts are thought to haunt the historic Creede Hotel How did the baddest man in camp meet his untimely end and what do the old timers say is buried under the floorboards at Freemon's Ranch What happened the night an actress from the Creede Repertory Theatre summoned a ghost to join her on stage Author Kandra Payne matches fascinating historic details with spine tingling tales to find out what made the Creede Camp one of the wildest and spookiest boomtowns in the West **Alaska 2008**
