Soccer Ball Mystery:

The Soccer Ball Mystery n/a, 2005-12-20 Uniqua's favorite soccer ball is missing and Detective Tyrone is on the case. Where did the ball go and who took it? Pull the magic tabs and follow clues to find out. [The Soccer Ball Monster Mystery](#) Walker Styles, 2016-10-11 In this sixth Rider Woofson adventure the PI Pack investigates the missing mascot for the Pawston Dynamos. The Pawston Dynamos are a soccer team without a mascot but that's because their mascot has gone missing. Can Rider and the PI Pack find Dynamo Dog before the upcoming championship or will the team's spirit be stolen too? With easy-to-read language and illustrations on almost every page, the Rider Woofson chapter books are perfect for emerging readers.

[The Soccer Mystery](#) Felix Gumpaw, 2021-06-01 In this third installment of the Pup Detectives graphic novel series, the pup detectives have to collect clues to find their school's missing mascot before the big game. When the beloved Pawston Elementary School mascot goes missing, Rider Woofson and his fellow pup detectives smell trouble on the soccer field. But when the star player on the team also goes missing just before the biggest match of the season, they know they have a super foul mystery on their paws. There are more suspects than there are clues, but these persistent pups won't give up until they score a win for good guys everywhere. *The Soccer Mystery* Gertrude Chandler Warner, 1997 The Aldens are excited to be playing in their summer soccer league until someone begins sabotaging the teams.

[Ball Tales](#) Michelle Nolan, 2014-11-26 This history of American sports fiction traces depictions of baseball, basketball, and football in works for all age levels from early dime novels through the 1960s. Chapters cover dime novel heroes Frank and Dick Merriwell, the explosion of sports novels before World War II and its influence on the authors who later wrote for baby boom readers, how sports novels persisted during the Great Depression, the rise and decline of sports pulps, why sports comics failed, postwar heroes Chip Hilton and Bronc Burnett, the lack of sports fiction for females, Duane Decker's Blue Sox books, and the classic John R. Tunis novels. Appendices list sports pulp titles and comic books featuring sports fiction. **Monster Halloween Party**, 2007-08-07

Readers can lift the flaps to find their way to mad scientist Tasha's spooky Halloween surprise. *A History of Football in 100 Objects* Gavin Mortimer, 2012-10-04 What does a turnip have in common with a pair of 500 sunglasses? They've both played a pivotal role in football history. Following on from Neil MacGregor's groundbreaking *The History of the World in 100 Objects*, Gavin Mortimer provides a quirky and unique take on the beautiful game told through its defining objects. *A History of Football in 100 Objects* begins on the momentous day in October 1863 when several men in frock coats formed the Football Association. Ever since, the sport has continually evolved and created new ways to thrill and infuriate its billions of followers along the way. If you've ever wanted to know when footballers started to feign injury, why an old sock helped Pel become a global legend, or how a draper's letter changed football, you'll find the answer in this fascinating history of invention, ingenuity, indiscipline, and sometimes inebriation. From the inaugural red card to a Buddhist shrine, each of the objects selected gives us an intimate glimpse of an unexpected truth behind footie mythology. **Can We Have Our Balls Back,**

Please? Julian Norridge, 2008-11-06 Long before Drake refused to interrupt his game of bowls when the Armada was sighted the British have had a passionate relationship with sport Julian Norridge goes through the stories of fourteen major sports from cricket to boxing to football from their very beginning and throughout the British Isles whether it's Welsh inventor and tobacco enthusiast Major Walter Clopton Wingfield coming up with a game that could use those new fangled rubber balls modern tennis or the Scots inventing the golf club 500 years after the game But this is far more than a book about sport it takes a very funny very British look at our popular history mythology and most importantly the highly eccentric figures that made it It chronicles the constant battle between fair play and gambling between advances in the game and plain cheating such as turning up with a cricket bat wider than the wicket Can We Have Our Balls Back Please proves that there is an awful lot to be proud of in our history and where that strange feeling of superiority really comes from It shows why we get just so excited when we take on any other nation in any sporting event and are so disappointed when we lose **Next Time Say Where You're Going** Carole Marsh, 1994 **Phantom Football: Team Spirit** Rob Childs, 2012-12-31 Who is the mysterious player turning up to practise with the Bradgate School football squad Flying down the wing ghosting past defenders the red headed newcomer seems to have the magic touch that can win games But why can't the team's shooting star play away from home A gripping tale of soccer and the supernatural from football maestro Rob Childs **The British Football Film** Stephen Glynn, 2018-05-03 This book constitutes the first full volume dedicated to an academic analysis of British football as depicted on film From early single camera silents to its current multi screen mediations the repeated treatment of football in British cinema points to the game's importance not only in the everyday rhythms of national life but also and especially its immutable place in the British imaginary landscape Through close textual analysis together with production and reception histories this book explores the ways in which professional footballers amateur players and supporters the devoted and the demonized have been represented on the British screen As well as addressing the joys and sorrows the game necessarily engenders British football is shown to function as an accessible structure to explore wider issues such as class race gender and even the whole notion of Britishness **The Competition for Gaby** Jen Jones, 2011-07 Gaby Fuller is excited when she is invited to join an all star dance team but her friends on cheer team are starting to wonder about her ability to handle both The emergence of footballing cultures Gary James, 2019-07-16 This study of Manchester football by leading football historian Gary James considers the sport's emergence development and establishment through to its position as the city's leading team sport The period from 1840 to 1919 saw football in Manchester develop from an inconsequential occasionally outlawed activity into a major business with a variety of popular football clubs and supporting industry This book makes a distinct and original contribution to the historiography of sport It is the first academic study into the development of association football in Manchester and is directly linked to the current state of knowledge and debates within sports history on football's origins It adds regional focus to inform the wider debate contextualising the growth of the

sport in the city and identifies communities who propagated and developed football Robust research should ensure that this becomes the benchmark study of regional football

Heart of a Lioness Irene Gleeson, Nicole Partridge, 2014-10-14 At 35 Irene Gleeson's life was all but over Her first marriage had fallen apart her family home had been sold and her children were on a path of self destruction Disillusioned and anxious she sought answers in all manner of places but when this all came to nothing she spiralled further into the abyss Broke and depressed suicidal and trawling the night clubs looking for love Irene made an unexpected discovery of God's love on the 28th of November 1982 Standing at the back of a small beachside church the presence of God embraced her and in that moment she was finally free With a renewed sense of purpose peace and several answered prayers Irene asked this of her saviour Jesus you've done this for me what can I do for you What followed was a commitment by Irene and her then second husband to sponsoring children from around the world and embarking on short term missions trips But it was a visit to Ethiopia in 1988 to meet their sponsored children that would be the turning point In February 1992 Irene and her husband sold up everything waved goodbye to family and friends and shipped their modest aluminium caravan 12 000 kms from the warm white sands of Australia to the red dust of Uganda In a small isolated community on the Sudan border the couple began their work of rescuing and rehabilitating child soldiers and orphans Irene taught the children to sing and then to read and write eventually adding feeding education and medical care to her repertoire While the work continued to grow and

flourish her relationship didn't and before long she found herself alone yet again Irene forged ahead despite the hardships extreme isolation swelteringly hot days repeated bouts of malaria and several attacks by rebels Hand in hand with Jesus she carved out a global organisation that has left an indelible imprint on the hearts and lives of 20 000 war affected Ugandans Heart of a Lioness will take readers on Irene's journey of obedience sacrifice and unwavering faith A moving narrative filled with drama humour and deeply personal insights Irene recounts story after story of God's miracles amidst the frustrations of running a ministry as an older single white woman The book will challenge and inspire readers to find their mission in life and will reinforce the notion that no matter who you are or where you've been it's never too late to find your purpose
