## **Social And Labour Practices Of Multinational Enterprises In The Textil:**

*Social and Labour Practices of Multinational Enterprises in the Food and Drink Industry* International Labour Office,1989  
Competition has recently intensified in the food and drink industry With the current wave of mergers and acquisitions the original trend towards diversification into other sectors of the economy has been reversed as enterprises have reconcentrated their efforts on their core activities in order to penetrate new markets      **The Employment Effects of Multinational Enterprises in the United States and of American Multinationals Abroad** Duncan C. Campbell,1990

Textiles and Industrial Transition in Japan Dennis L. McNamara,2019-05-15 Most of Japan s leading textile firms date back to the turn of the century Unlike many of their Western competitors however Japan s larger companies have survived the decline of a sector consumed by fierce international competition Providing the fullest English language account of Japanese textiles Dennis L McNamara explores the entire sweep of the industry from factory to high fashion brokerage to policymaking circle Tracing the strategies by which the textile industry has survived he provides a distinctive view of Japanese capitalism in a climate of change McNamara reconstructs a world riven by the competing interests of state and capital firm and industry labor and management mill and merchant We encounter giant mogul companies and upstart independent mavericks such firms as Toray Toyobo Itochu Tsuzuki Kondobo Onward and Renown all hustling to restructure for survival Drawing on extensive interview data as well as recent Japanese and English language work in political economy and social anthropology McNamara describes a dynamic of competition between moguls and mavericks in a turbulent business torn by divisions but bound together by compromise He finds that despite enormous international pressures the industry has maintained much of its market share largely because state bureaucrats and leaders of major firms have managed to create a cooperative politics of adjustment A corporatist structuring of interests he concludes has helped to moderate decline and maintain stability permitting survival among the moguls without preventing the successful participation of mavericks      **Japanese Multinationals in Australia** Peter Drysdale,Roger Farrell,1999      Capitalism and Development Leslie Sklair,2002-09-11 This collection draws together a distinguished group of authors to explore how capitalism contributes to the development and underdevelopment of the Third World It provides a superb overview of key concepts such as capitalism development modernization and dependency      *Multinational Companies in the Textile, Garment and Leather Industries* ,1984 Trade union pub Survey report on the business organization and activities of multinational enterprises involved in the textile industry clothing industry and leather industry covers 59 MNEs based primarily in France Germany Federal Republic Japan the UK and the USA includes synthetic textile fibres and shoe industries assesses level of economic concentration reviews foreign investment joint ventures subsidiarys turnover sales and labour force briefly notes activities of the developing country MNEs Bibliography statistical tables      European Works Councils in Multinational Enterprises Roger Blanpain,1999 Deals with the genesis of the Council Directive 94 45 EC and describes the

establishment of a works council or of a procedure for the purposes of informing and consulting employees Discusses the subsidiary requirements regarding information and consultation in case where no agreement has been reached Analyses the possibility of concluding pre existing agreements 1994 1996 Includes the text of the Directive 1994 and 1997 the state of transposition of the 1994 Directive into national law a list of companies which have concluded voluntary agreements and finally experience with Article 13 agreements as evaluated by the ETUC *Social and Labour Practices of Multinational Enterprises in the Textiles, Clothing, and Footwear Industries* International Labour Office,1984 Production Sharing ,1986

**Multinational Enterprises and Employment** M. Bradley Dow,Pradeep Kumar,1990 *The Textile Industry* J. Thomas Vogel,Barbara W. Lowry,1989 **A Case Study on Decision-making in Selected Multinational Enterprises in India** Prakash Narain Agarwala,1985 **Research Handbook on Corporate Legal Responsibility** Stephen Tully,2005 What I liked in particular about the Handbook was that each chapter identified the issues within a theoretical context and then gave the historical perspective with an accurate account of the current legal position and set down clear markers on the issues likely to influence future developments in corporate responsibility Phillip Taylor The Barrister This book has drawn together a distinguished and international group of writers to provide a wide ranging discussion of the responsibility of corporations to society in general including discussion of the role of companies in promoting human rights accomplishing sustainable development and restoring and keeping public trust The contributors put calls for Corporate Social Responsibility into its legal framework and provide a wide range of possible solutions to perceived weaknesses in the law The authors are to be congratulated for adhering to the editorial mandate to provide information in a succinct style which is comprehensible to the lay person as much as the well informed This work is an indispensable tool for anyone engaged in the globalisation debate It gives valuable international multi faceted insights on the current situation on work in progress to create change and of the theoretical perspectives which inform both Janet Dine Queen Mary College University of London UK Finally a book that explores the legal considerations related to corporate responsibility and does so from a global perspective with strong underpinnings of ethics This book should prove a useful guide for those academics and managers interested in the historical and emerging legal framework that guides corporate decision making around responsibility Sandra Waddock Boston College US This volume provides an invaluable collection of essays that consider diverse perspectives on the social responsibility of corporations As such it provides a very satisfying and balanced combination of contributions that should be useful to any serious student either in practice or academe of the role of corporations in society David Crowther London Metropolitan University UK The ever important topic of corporate legal responsibility is deconstructed into many multifaceted components in this fascinating Handbook which systematically examines each in turn and describes the contemporary legal position The Research Handbook on Corporate Legal Responsibility considers general theory and basic concepts such as corporate legal personality the doctrine of attribution corporate governance and directors duties and reviews the range of individuals to

which corporations may be held responsible particularly employees suppliers shareholders stakeholders and women The substantive grounds for corporate responsibility under civil and criminal law within the North American and Commonwealth jurisdictions are evaluated and mechanisms of accountability such as novel regulatory processes interactive regulation codes of conduct and social reporting risk management and the significant role of non governmental organisations are identified The thought provoking chapters contained within this Handbook go on to present perspectives on topical international questions corruption labour standards human rights environmental protection and sustainable development including an analysis of recent initiatives from several international organisations Bringing together the work of around thirty leading academics practitioners campaigners and policymakers from North America Europe and Australia each chapter locates these issues within a theoretical context giving an overview of its historical evolution providing an accurate account of the current legal position and identifying policy issues likely to influence future developments
