*On Moral Capital* Xiaoxi Wang, 2015-01-14 This book promotes the original concept of Moral Capital as the key to analyzing the nature and function of morality in economic activities The book is divided into three major sections In the first the author argues that the logical connections between morality and economy and those between morality and profit provide a concrete theoretical basis for the concept of moral capital In the second the author elucidates the concept the form and the functional mechanism of moral capital In the third the author describes the economic ethics of traditional Chinese intellectual history especially the main idea of morality s role in economics which shows the historical narrative of this concept and provides resources on ideological history helping businesses to establish their own moral capital approaches and accumulate moral capital In the fourth the author explores the special economic role of morality and proposes an evaluation index system for assessing moral assets in enterprises demonstrating the concept of moral capital s significance from both a theoretical and application oriented standpoint

*A Critical Bibliography of Adam Smith* Hiroshi Mizuta, 2016-07-01 This critical bibliography of Adam Smith takes as its starting point the Kress Library of Business and Economics 1939 catalogue of its Vanderblue Collection of Smithiana Since the bicentenary of *The Wealth of Nations* in 1976 the rate of international publication markedly accelerated significantly extending the scope of this bibliography beyond 1939 Its scope has been further enlarged via the inclusion of essays on the diffusion process while the inclusion of all works in the chronological main bibliography gives an overview of the scope of this process The notes appended to the entries provide a running commentary to the gathering pace of publication and the entries are organised chronologically with systematic annotation throughout

**Thoughts on Economic Development in China** Ma Ying, Hans-Michael Trautwein, 2013-03-05 This book is about mutual influences of thinking about economic development in China and in the West from the 18th century until the present Its chapters are contributed by development economists and historians of thought from China and other parts of the world The book describes important stages in the evolution cross fertilization and contextual modification of ideas about economic order development and institutional change It illustrates how Western concepts and theories have been adopted and adapted to Chinese conditions in different waves of modernization from the late 19th century until the present and that this was and is no one way traffic The book examines to what extent pre classical thinking in the West in particular French Physiocracy in mid 18th century was influenced by China as an ideal and a source of ideas at a time when China was the largest and most advanced economy in the world It discusses to what extent different approaches of modern Western style economics in particular in the fields of development economics and institutional economics can be used to understand the rapid transitions and developments of the Chinese economy in recent decades and to what extent they need to be modified in the light of new experiences and insights Against this background several contributions to the volume provide assessments of the current state of economic science and teaching in China in particular with regard to Chinese views on Western economics The book

should be of interest to those who are interested in the economic history of China      **The Journal of European Economic History** ,1989      **Jingji Xue** Paul B. Trescott,2007 Based on solid research Jingji Xue presents how Economics as a thought as well as an intellectual discipline had been introduced to China It identifies the Chinese who studied Economics in the West and evaluates their roles in teaching research and publication in China Particularly it describes and examines the activities of Kang Youwei Liang Qichao Sun Yat sen and Yan Fu et al in transmitting and interpreting Western Economics The evolution of Economics programme in leading universities in China is also discussed      **The New Palgrave Dictionary of Economics** ,2016-05-18 The award winning The New Palgrave Dictionary of Economics 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists Regularly updated This product is a subscription based product      **Bibliography of Ontario History, 1867-1976** Olga Bernice Bishop,Barbara I. Irwin,Clara Gellermann Miller,1980      Isis Cumulative Bibliography 1986-1995: Persons: M-Z. Institutions John Neu,1997      **A Concise History of Chinese Economic Thought** Jichuang Hu,1988      **The Pushing-Hands of Translation and its Theory** Douglas Robinson,2016-05-12 This book presents an East West dialogue of leading translation scholars responding to and developing Martha Cheung s pushing hands method of translation studies Pushing hands was an idea Martha began exploring in the last four years of her life and only had time to publish at article length in 2012 The concept of pushing hands suggests a promising line of inquiry into the problem of conflict in translation Pushing hands opens a new vista for translation scholars to understand and explain how to develop an awareness of non confrontational alternative ways to handle translation problems or problems related to translation activities that are likely to give rise to tension and conflict The book is a timely contribution to celebrate Martha s work and also to move the conversation forward Despite being somewhat tentative and experimental it probes into how to enable and develop dynamic interaction between and reciprocal determinism of different hands involved in the process of translation      **Translation and Rewriting in the Age of Post-Translation Studies** Edwin Gentzler,2016-11-03 In Translation and Rewriting in the Age of Post Translation Studies Edwin Gentzler argues that rewritings of literary works have taken translation to a new level literary texts no longer simply originate but rather circulate moving internationally and intersemiotically into new media and forms Drawing on traditional translations post translation rewritings and other forms of creative adaptation he examines the different translational cultures from which literary works emerge and the translational elements within them In this revealing study four concise chapters give detailed analyses of the following classic works and their rewritings A Midsummer Night s Dream in Germany Postcolonial Faust Proust for Everyday Readers Hamlet in China With examples from a variety of genres including music film ballet comics and video games this book will be of special interest for all students and scholars of translation studies and contemporary literature      **An Encyclopaedia of Translation** Sin-wai Chan,David E. Pollard,2001 Language specific entries relate to the interaction

between the Chinese speaking and English speaking communities of Hong Kong At the same time the work draws on Western knowledge and experience with translation studies in general This book is a valuable reference for translators scholars and students of translation studies
