Soviet Politics And Society:

Soviet Politics and Society Stanley Rothman, George W. Breslauer, 1978 **Journal of Soviet and Post-Soviet Politics and Society** Julie Makarychev, Andrey Umland, Andreas Fedor, 2020-10-20 Special Sections Russian Foreign Policy Towards the Near Abroad and Russia's Annexation of Crimea II This special section deals with Russia's post-Maidan foreign policy towards the so-called near abroad or the former Soviet states. This is an important and timely topic as Russia's policy perspectives have changed dramatically since 2013-2014, as have those of its neighbors. The Kremlin today is paradoxically following an aggressive realist agenda that seeks to clearly delineate its sphere of influence in Europe and Eurasia while simultaneously attempting to promote soft power and a historical civilizational justification for its recent actions in Ukraine and elsewhere. The result is an often perplexing amalgam of policy positions that are difficult to disentangle. The contributors to this special issue are all regional specialists based either in Europe or the United States. Journal of Soviet and Post-Soviet Politics and Society Julie Fedor, 2016-01-05 This double special issue investigates the experiences of Soviet Afghan veterans and the ongoing impact of the Soviet Afghan war 1979-89 and the new and reconstituted narratives of martyrdom that have been emerging in connection with 20th century history and memory in the post-socialist world. The JOURNAL OF SOVIET AND POST-SOVIET POLITICS AND SOCIETY JSPPS is a new bi-annual companion journal to the Soviet and Post-Soviet Politics and Society SPPS book series founded 2004 and edited by Andreas Umland. Dr. phil. PhD. Guest editors: Felix Ackermann, European Humanities University; Michael Galbas, Konstanz University; Uilleam Blacker, UCL. *Soviet and post-Soviet politics and society*, *Journal of Soviet and Post-Soviet Politics and Society* Julie Fedor, Andrey Makarychev, Andreas Umland, Gergana Dimova, George Soroka, Tomasz Stępniewski, Rory Finnin, Ivan Kozachenko, 2020

Russian Politics and Society Richard Sakwa, 2002-09-11 First published in 2002, Routledge is an imprint of Taylor & Francis, an informa company. *Journal of Soviet and Post-Soviet Politics and Society* Julie Fedor, Andrey Makarychev, Andreas Umland, Yuliya Yurchuk, 2022-03-07 This issue includes the fifth special section in the series 'Issues in the History and Memory of the OUN' and the second instalment of 'A Debate on Ustasism, Generic Fascism and the OUN', both guest edited by Andreas Umland and Yuliya Yurchuk. *Russian Politics and Society* Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade, the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society. New to this edition: extended coverage of electoral laws, party development and regional politics; new chapter on the 'phony' democracy period 1991-93; historical evaluation of Yeltsin's leadership; full coverage of Putin's presidency; discussion of the development of civil society and the problems of democratic consolidation; latest developments in the Chechnya conflict; more on foreign policy issues; the re-introduction of the Russian Constitution as an appendix; an updated Select Bibliography; more focus on the challenges facing Russia in the twenty-first century. Written in an accessible and lively style, this book is packed

with detailed information on the central debates and issues in Russia's difficult transformation. This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society.

Russian Women in Politics and Society Norma Corigliano Noonan, 1996-10-21. An examination of women's roles in politics and society in the contemporary Russian Federation as it creates a new market economy and democratic course born of a millennium of history and nearly 75 years of authoritarian communist rule. The stage is set in the introduction followed by an examination of the history of the Bolshevik socialist state in 1917 through the participation of women in recent multiparty elections in 1993. The tsarist and Communist gender culture is presented and the book then considers why and how the Soviet Union disintegrated. Next the editors explore the reborn Russia of President Boris Yeltsin and women's rights under Soviet and post-Soviet rule. The book is enriched by statistical tables and glossaries of the names of leaders and terms for easy identification.

Journal of Soviet and Post-Soviet Politics and Society Julie Fedor, Samuel Greene, Andre Härtel, Andrey Makarychev, Andreas Umland, 2016-10-11. This special issue deals with the phenomenon of violence in the post-Soviet space. It examines both political and legal discourses and practices of internal and external violence broadly conceived simultaneously aspiring to situate them in the broader literature on political violence and ethnic and separatist conflict and to examine these from political, legal and security studies perspectives. The issue approaches the problem of violence in the post-Soviet space from three perspectives: international, structural, inter-state and domestic political. The contributors focus on structural sources of violence such as the relevance of the self-determination principle, the role of democratization and the relationship between violent behavior inside and outside the state. They also analyze the role of the Russian Federation in generating, perpetuating and mitigating political violence. Finally, they adopt a bottom-up approach exploring how non-state actors contribute to political violence.
