Women in Russia and Ukraine Rosalind J. Marsh, 1996-03-14 In this book leading western specialists and Russian and Ukrainian feminists examine how gender has shaped Russian and Ukrainian history from the twelfth century to the present In particular they analyse the current backlash against women's emancipation Using new archival materials and the insights of feminist theory the contributors explore the relevance of gender equality and difference in Russian history They find that women have not merely submitted to the patriarchal system but instead have found creative ways of resisting it Chapters focusing on contemporary Russia discuss abortion pornography sexual minorities young women's lifestyles the impact of economic reform on women and the development of the women's movement This book will be of interest to students and specialists in Russian Ukrainian and women's studies as well as to historians political scientists sociologists and economists

Identities, Nations and Politics after Communism Roger E. Kanet, 2013-10-18 This book focuses on questions of identity that have confronted the countries of Central and Eastern Europe after the collapse of the communist system that had

previously provided them with an identity This development both facilitated and necessitated a reassessment of the now independent nations history orientation symbols and identity In some cases new states were created without a clear national identity while in others the nation was regaining statehood but not always within borders that had an historical association with the nation concerned The multiethnic character of the space of the former Soviet Union and its erstwhile satellites and the long historical legacy of complex relations boundary changes population migration and economic and social changes presented different challenges to the various nations and states concerned The essays in this volume attempt to elucidate and understand the issues of ethnic and national identity and their relationship to the emerging statehood in various regions of the post communist world This study makes clear that some nation states were far better prepared to handle these issues than others and that the longer term impact of the communist experience has varied This book was previously published as a special issue of Nationalities Papers

Russian Literature and Its Demons Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century

Across the Blocs Patrick Major, Rana Mitter, 2004-08-02 This book asks the reader to reassess the Cold War not just as superpower conflict and high diplomacy but as social and cultural history It makes cross cultural comparisons of the socio cultural aspects of the Cold War across the East West block divide dealing with issues including broadcasting public opinion and the production and consumption of popular culture
