Soviet Foreign Policy Erik P. Hoffmann, Robbin Frederick Laird, Frederic J. Fleron, **Post-communist Studies And Political Science** Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth

of the systemic crisis in Soviet Russia and the destructive or self destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism Russia's Foreign Policy Andrei P. Tsygankov, 2006-05-25 Exploring Soviet Russian international relations this book compares foreign policy formation under Gorbachev Yeltsin and Putin Showing how Moscow's policies have shifted with each leader's vision of Russia's national interests it also evaluates the successes and failures of Russia's foreign policies *The Soviets, Germany, And The New Europe* Robbin F Laird, 2019-07-19 This book assesses the evolution of the Soviet approach toward European security policy since the mid 1980s as seen from the prism of assessments of and policy toward the Federal Republic of Germany examining basic Soviet analyses of West Germany in the period prior to unification
