Soviet Public Opinion And Ideology:

Soviet Public Opinion and Ideology Vladimir Shlapentokh, 1986-11-07 This is the first book to view Soviet ideology and public opinion from the perspective of Soviet mythology The author puts forth the idea that mythology in Soviet life is one of the most important variables determining the path of Soviet history and examines how Soviet society adjusts to the important role of mythology in its life In this connection the author introduces the concept of a party ideology as it differs from public ideology Original and provocative Soviet Public Opinion and Ideology is an enlightening work for sociologists political scientists social psychologists and experts on the Soviet Union

Soviet Public Opinion and Ideology Vladimir Shlapentokh, 1986-11-07 This is the first book to view Soviet ideology and public opinion from the perspective of Soviet mythology The author puts forth the idea that mythology in Soviet life is one of the most important variables determining the path of Soviet history and examines how Soviet society adjusts to the important role of mythology in its life In this connection the author introduces the concept of a party ideology as it differs from public ideology Original and provocative Soviet Public Opinion and Ideology is an enlightening work for sociologists political scientists social psychologists and experts on the Soviet Union

Soviet Public Opinion and the Effectiveness of Party Ideological Work Thomas F. Remington, 1983

Public Opinion and the End of Appeasement in Britain and France Daniel Hucker, 2016-04-15 The 1930s policy of appeasement is still fiercely debated by historians critics and contemporary political commentators more than 70 years after the signing of the 1938 Munich Agreement What is less well understood however is the role of public opinion on the formation of British and French policy in the period between Munich and the outbreak of the Second World War not necessarily what public opinion was but how it was perceived to be by those in power and how this contributed to the policymaking process It therefore fills a considerable gap in an otherwise vast literature seeking to ascertain the extent to which public opinion can be said to have influenced the direction of foreign policy in a crucial juncture of British and French diplomatic history Employing an innovative and unique methodological framework the author distinguishes between two categories of representation firstly reactive representations of opinion the immediate and spontaneous reactions of the public to circumstances and events as they occur and secondly residual representations which can be defined as the remnants of previous memories and experiences the more general tendencies of opinion considered characteristic of previous years even previous decades It is argued that the French government of douard Daladier was consistently more attuned to the evolution of reactive representations than the British government of Neville Chamberlain and consequently it was the French rather than the British who first pursued a firmer policy towards the European dictatorships This comparative approach reveals a hitherto hidden facet of the diplomatic prelude to the Second World War that British policy towards France and French policy towards Britain were influenced by their respective perceptions of public opinion in the other country A sophisticated analysis of a crucial period in international history this book will be essential reading for scholars of the origins of World War

II the political scenes of late 1930s Britain and France and the study of public opinion and its effects on policy **The Public Opinion Process** Irving Crespi, 2013-11-05 What is public opinion How can we best study it This work presents a process model that answers these questions by defining public opinion in a way that also identifies an approach to studying it The model serves as a framework into which the findings of empirical research are integrated producing a comprehensive understanding of public opinion that encompasses the congeries of middle range theories that have emerged from empirical research The three dimensional process model and the way it is explicated satisfies the diverse and sometimes divergent needs and interests of political scientists sociologists social psychologists and communication specialists who study public opinion This is achieved by clearly differentiating and interrelating the following individual opinions the judgmental outcomes of a process in which attitudinal systems comprised of beliefs values interests and feelings function as intervening variables that direct and structure perceptions of public issues collective opinions the outcomes of communication from which mutual awareness emerges and that integrate separate individual opinions into a significant social force and political roles of collective and individual opinions the outcomes of the extent to which collective and individual opinions have achieved legitimacy as the basis for governing a people DON T USE THIS PARAGRAPH FOR GENERAL CATALOGS Each dimension of the model has its corresponding subprocess transactions between individuals and their environments communications among individuals and collectives and political legitimation of public opinion Since the process model is by definition interactional none of the three dimensions has theoretical or sequential priority over the others Instead of treating the psychological political and sociological aspects of public opinion as separate stages of an unidirectional process the three aspects are modeled as dimensions of a complex ongoing system in continuous interaction with each other This conceptualization satisfies the need for a truly interdisciplinary theory in that it demands that each dimension be studied in terms of its defining sub process It also avoids the twin errors of reductionism and reification in the study of public opinion **A Normal Totalitarian Society** Vladimir Shlapentokh, 2017-07-05 Shlapentokh undertakes a dispassionate analysis of the ordinary functioning of the Soviet system from Stalin s death through the Soviet collapse and Russia s first post communist decade Without overlooking its repressive character he treats the USSR as a normal system that employed both socialist and nationalist ideologies for the purposes of technological and military modernization preservation of empire and expansion of its geopolitical power Foregoing the projection of Western norms and assumptions he seeks to achieve a clearer understanding of a civilization that has perplexed its critics and its champions alike **Problems of Communism** , 1990

Historical Narratives in the Soviet Union and Post-Soviet Russia T. Sherlock, 2007-04-16 Establishing a causal link between historical discourse and political change this important book describes the role of historical discourse in establishing maintaining or destroying elite and mass political identities in Soviet and post Soviet space **Putinism - Post-Soviet Russian Regime Ideology** Mikhail Suslov, 2024-02-23 A key question for the contemporary world What is Putin

s ideology This book analyses this ideology which it terms Putinism It examines a range of factors that feed into the ideology conservative thought in Russia from the nineteenth century onwards Russian and Soviet history and their memorialisation Russian Orthodox religion and its political connections a focus on traditional values and Russia's sense of itself as a unique civilisation different from the West and due a special respected place in the world The book highlights that although the resulting ideology lacks coherence and universalism comparable to that of Soviet era Marxism Leninism it is nevertheless effective in aligning the population to the regime and is flexible and applicable in different circumstances And that therefore it is not attached to Putin as a person is likely to outlive him and is potentially appealing elsewhere in the world outside Russia especially to countries that feel belittled by the West and let down by the West's failure to resolve problems of global injustice and inequality

The Soviet Concept of 'Limited Sovereignty' from Lenin to Gorbachev Robert A. Jones, 2016-07-27

The book examines the origins development and contemporary significance of the Soviet doctrine of limited sovereignty Brezhnev Doctrine with particular reference to the Doctrine's implications for the Soviet Union's relations with Eastern Europe The author identifies and considers the multiple functions served by the Soviet Union's essentially dualistic or bi axial approach to sovereignty which embraces notions derived from both general international law and from Soviet Marxist Leninist doctrine The book also includes a comparative analysis of the US Monroe Doctrine The author argues that although in the Gorbachev era of new thinking the Soviet doctrine of sovereignty may be developing a third axis Western predictions of the imminent or actual demise of the Brezhnev Doctrine are premature

Soviet Public Opinion And Ideology: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Soviet Public Opinion And Ideology Introduction

In today's digital age, the availability of Soviet Public Opinion And Ideology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Public Opinion And Ideology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Public Opinion And Ideology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if

you need to purchase several of them for educational or professional purposes. By accessing Soviet Public Opinion And Ideology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Public Opinion And Ideology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Public Opinion And Ideology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Public Opinion And Ideology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Public Opinion And Ideology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Public Opinion And Ideology books and manuals for download and embark on your journey of knowledge?
