Soviet Strategy in Southern Africa: Gorbachev's Pragmatic Approach Peter Vanneman, 1990 **Soviet Strategy Towards Southern Africa** J. A. Du Plessis, 1976 Evaluates basic Soviet strategy towards southern Africa in the period immediately before Angola gained its independence on 11 November 1975 the reaction from the Soviet Union with reference to the pro Moscow MPLA takeover and the basic aims of the Soviet Union in the post Angola phase *Africa* Dirk Thomas Kunert, 1981 Soviet Strategy in Southern Africa Philip Uren, 1979 Southern Africa and the Soviet Union Keith Somerville, 1993 Describes the African and Soviet motivations objectives and strategies the Southern African geopolitical environment and the development of Soviet theoretical approaches to the region all taken from an African perspective The book is a survey of the relations of African states with the USSR *Soviet Strategy Toward Southern Africa* Daniel R. Kempton, 1989-05-15 This study is the first significant work to examine Soviet involvement with national liberation movements NLMs in Africa as a separate subcategory of Soviet foreign policy in the developing world The text compares and contrasts actual Soviet behavior with declared policy Daniel R Kempton presents three case studies the African National Congress ANC in South Africa The Movimento Popular de Libertacao de Angola MPLA and the Zimbabwe African People s Union ZAPU These cases trace the development of the Soviet Union s ties to the national liberation movements the amount and types of assistance provided and the impact of the relationship on the national liberation movements General analysts of international relations analysts of Soviet foreign policy and Africanists will find this a valuable resource The author contends that during the 1960s and 1970s the Soviet Union pursued a common strategy toward all three national liberation movements Although the strategy was applied flexibly to take into account the idiosyncracies of the individual liberation struggles in each case the Soviet Union pushed the national liberation movement to adopt the Soviet political model The Soviet view was that the adoption of this model would eventually lead to the development of relatively more stable and dependable allies Since 1980 however in each case there is significant evidence that the Soviet Union has altered markedly if not abandoned its previous strategy *U.S. Relations with South Africa: An Annotated Bibliography* Y G-M Lulat, 1990-12-31 A comprehensive two volume annotated bibliography of books and monographs journal articles government documents documents of nongovernmental organizations and substantive magazine and newspaper articles published since the late nineteenth century Annotated entries contain a short abstract a table of contents and information on reviews Each volume contains an author and subject index and a periodical is included in Volume Two Topics covered include US Foreign Policy Southern Africa in US South African Relations Nuclear Technology and Other Sectors of Trade and Economic Relations Education Scientific and Cultural Exchanges African Americans and South Africa Divestment Disinvestment and Sanctions Divestment Disinvestment and Sanctions Comparative Studies This two volume work is part of a larger project that included publication of a nearly 700 page book titled United States Relations with South Africa A Critical Overview from the Colonial

Period to the Present which is a critical overview of relations between the United States and South Africa going nearly as far back as the very beginning of their inception as permanent European colonial intrusions and it not only gives attention to the importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geopolitical location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large
