Witchcraft, Violence, and Democracy in South Africa Adam Ashforth, 2005-01-15 Large numbers of people in Soweto other parts of South Africa live in fear of witchcraft presenting complex unique problems for the government Adam Ashforth explores the challenge of occult violence the spiritual insecurity that it engenders to democratic rule in South Africa The Road to Democracy in South Africa: 1970-1980 South African Democracy Education Trust, 2004 v 3 The third volume in the series examines the role of anti apartheid movements around the world The global anti apartheid movement was very successful in creating awareness of the liberation struggle in South Africa and in contributing to the downfall of the apartheid government This volume in 2 parts brings together analyses which in the main are written by activist scholars with deep roots in the movements and organizations they are writing about *South Africa and the Communist International: Socialist pilgrims to Bolshevik footsoldiers, 1919-1930* Apollon Borisovich Davidson, 2003 This publication is a comprehensive selection of unique documents pertaining to the Communist Party of South Africa CPSA from the formerly closed archives of the Communist International Soweto Валентин Городнов, 1983 Soweto Valentin Petrovich Gorodnov, 1988 In this book the subject of study is the white city of Johannesburg and its satellite black ghettos popularly known as Soweto Perhaps one could ask why choose Johannesburg Well it could have been any other city in South Africa because the book really does not deal with Johannesburg as such But rather it deals with South Africa as a whole Johannesburg and Soweto are but an example of the apartheid system in practice Yet one should remember that Johannesburg is the heart or centre of capitalist industrial development in South Africa In that sense it becomes a natural choice **Protest, Power, and Change** Christopher Kruegler, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company **Walter & Albertina Sisulu** Elinor Sisulu, 2011-09-15 This is well told story and an important historical record of the struggle for a democratic South Africa **Trials that Changed History** M.S. Gill, 2007 **The ANC and Black Workers in South Africa, 1912-1992** Peter Limb, 1993 Identifies over 4 000 information sources on the 80 year struggle against segregation and apartheid in South Africa focusing on the relationship between the main opposition party and black worker organizations in which its main support lay Cites and briefly describes or summarizes books and artic West Germany and Namibia's Path to Independence, 1969-1990 Thorsten Kern, 2019-05-22 Namibia s main liberation movement the South West Africa People s Organisation SWAPO relied heavily on outside support for its armed struggle against South Africa s occupation of what it called South West Africa While East Germany s solidarity with Namibia s struggle for national self determination has received attention little research has been done on West Germany s policy towards Namibia which must be seen against the backdrop of inter German rivalry The impact of the wider realities of the Cold War on Namibia s rocky path to independence leaves ample room for research and new interpretations In *West Germany and Namibia s Path to Independence 1969 1990 Foreign Policy and Rivalry with East Germany* Thorsten Kern shows that German division played a vital role in West Germany

s position towards Namibia during the Cold War West German foreign policy towards Namibia at the height of the Namibian liberation struggle is investigated and discussed against the backdrop of rivalry with East Germany The two states deeply diverging policies characterised in this context by competition for influence over SWAPO were strongly affected by the Cold War rivalry between the capitalist West and the communist East Yet ultimately the dynamics of rapprochement helped to bring about Namibia s independence This book is based upon a doctoral dissertation presented to the University of Cape Town in 2016 Kern conducted research in the National Archives of Namibia and in German archives and his work draws on interviews with contemporary witnesses
