The Seven Commandments of Discipleship Frank P. DeSiano, 2003 DeSiano begins with the question What does God ask of us He answers God asks us to be disciples to follow Jesus with our hearts our minds and our strength within a community of faith He looks at holiness and spirituality from the point of view of discipleship being invited on a journey and being able to persevere on the road until life s fulfillment He sketches a spiritual path that is neither rigid nor lax and that all can follow Book jacket

Sowing New Seed Frank De Siano, 1994-01 With the growing emphasis on evangelization by Catholics throughout the world especially in the U S this new book by Frank DeSiano is both timely and welcome Here he explores evangelization as a total framework and how it can influence the way Catholics pray teach serve worship and how they experience themselves as Catholics

From Maintenance to Mission Robert S. Rivers, 2005 Evangelization contrary to what many people believe is not just a Protestant concern in fact writes Robert Rivers it is Catholic to the core In this practical approachable work he suggests that the Catholic parish is a wonderful setting to carry out the evangelizing work of the church He makes the case that evangelization holds the key to the future of the church because it was in fact the centerpiece of post Vatican Council reform Drawing from the USCCB document Go and Make Disciples which offers a comprehensive plan and strategy for evangelization he explores ways to challenge us to become Catholic evangelizers And he proposes ways to move from maintenance to mission oriented parishes My purpose affirms the author is to try to place before the reader a compelling vision of Catholic evangelization and share some strategic thinking that might enable us to implement the great vision to which we have been called He attains that goal convincingly practically and hopefully

Ad Ultimum Terrae Veli-Matti Kärkkäinen, 1999 The Pentecostal Movement currently the second largest Christian constituency after the Roman Catholic Church is the most rapidly growing Christian movement in history It has grown from zero to almost 500 million in one century Pentecostals are known for energetic evangelism and mission They are often accused of proselytism and the lack of social concern in their mission The International Dialogue between Pentecostals

and the Roman Catholic Church has dared to have another look at these vital issues affecting the rest of the Church The fourth round 1990 1997 of the dialogue started in 1972 focused on mission proselytism and common witness The present study written at the Institute for Ecumenical and Cultural Research Collegeville Minnesota USA under the mentorship of Kilian McDonnell OSB the co founder and co chair of the International Roman Catholic Pentecostal dialogue highlights the similarities and differences in mission and related issues between these two largest Christian families

Mustard Seed Faith in Church Planting and Evangelism Gary Morris,2021-05-03 The cover picture and the title go hand in hand The person who goes out and casts seed has in him the hope that the kingdom of God will be expanded He possesses at minimum faith the size of a mustard seed He believes that the all powerful God whom he serves will release His power in what the picture portrays The servant of God cast the seed not knowing but believing that the purposes of God will become evident Why Because faith is the substance of things hoped for the evidence of things not seen Hebrews 11 1 So in his labors some seed finds residence in a hard and dark heart of stone God is working His miracle of regeneration or drawing that hard hearted individual to Himself The seed of the eternal Word is cracking and breaking up the hard heart Sometimes the person of faith observes something happening He witnesses what was once a hard and depraved heart is now being softened toward God If he is involved in up close evangelism he is blessed to witness the spiritual miracle of salvation as depicted in the picture as becoming a heart of flesh That once hard hearted person is now able to move in God s direction rather than continuing in his own depraved way The eternal seed that has been implanted in the heart by God now begins to sprout out with life demonstrating the life of the Lord Jesus Christ growing and producing spiritual fruit unto his King this is his reasonable service
