commitment to helping people live happier and healthier lives I endorse this author and I want to personally thank her for taking the time to share her story I feel that Lisas journey will help awaken the lives of many and inspire others to begin their own transformations Sensational book and very uplifting Dwayne The Rock Johnson actor WWE Lisa is a very close friend of mine and she is the daughter that I never had I enjoyed her book very much because I felt as if Lisa was speaking directly to me in a casual and relaxed manner about self love healing and spirituality Her book took me on a journey of transformation It gave me tools and exercises that I began practicing in my own life and they worked I was able to experience her journey and it helped me in my life to relieve stress through meditation and positive thinking Life is not easy but we all live and learn and continue doing so until the day we die Lisa opened my eyes to see that it is not the challenges that we face in life that define us but the way in which we proceed and deal with those challenges Rocky Johnson WWE Hall of Fame wrestler

Cleanliness and Culture C. (Kees) van Dijk, Jean Gelman Taylor, 2011-01-01 Recent years have shown an increase in interest in the study of cleanliness from a historical and sociological perspective Many of such studies on bathing and washing on keeping the body and the streets clean and on filth and the combat of dirt focus on Europe In Cleanliness and Culture attention shifts to the tropics to Indonesia in colonial times as well as in the present Subjects range from the use of soap and the washing of clothes as a pretext to claim superiority of race and class to how references to being clean played a role in a campaign against European homosexuals in the Netherlands Indies at the end of the 1930s Other topics are eerie skin diseases and the sanitary measures to eliminate them and how misconceptions about lack of hygiene as the cause of illness hampered the finding of a cure Attention is also drawn to differences in attitude towards performing personal body functions outdoors and retreating to the privacy of the bathroom to traditional bathing ritual and to the modern tropical Spa culture as a manifestation of a New Asian lifestyle With contributions by Bart Barendregt Marieke Bloembergen Kees van Dijk Mary Somers Heidhues David Henley George Quinn and Jean Gelman Taylor
