

The background of the image is a deep space scene filled with numerous stars of varying brightness. A prominent feature is a large, diffuse nebula that stretches across the middle of the frame. This nebula is composed of intricate, wispy structures of gas and dust, primarily in shades of vibrant red and bright cyan/blue. The colors appear to be illuminated from within, creating a glowing effect. The overall composition is centered, with the text overlaid on the most visually active part of the nebula.
