Spanish Society 1400 16:

Potosí in the Global Silver Age (16th—19th Centuries) ,2023-03-06 The open access publication of this book has been made possible thanks to the International Institute of Social History Amsterdam Potos today Bolivia was the major supplier for the Spanish Empire and for the world and still today boasts the world s single richest silver deposit This book explores the political economy of silver production and circulation illuminating a vital chapter in the history of global capitalism It travels through geology sacred spaces and technical knowledge in the first section environmental history and labor in the second section silver flows the heterogeneous world of mining producers and their agency in the third and some of the local regional and global impacts of Potos mining in the fourth section The main focus is on the establishment of a complex infrastructure at the site its major changes over time and the new human and environmental landscape that emerged for the production of one of the world s major commodities silver Eleven authors from different countries present their most recent research based on years of archival research providing the readers with cutting edge scholarship Contributors are Julio Aguilar James Almeida Rossana Barrag n Romano Mariano A Bonialian Th r se Bouysse Cassagne Kris Lane Tristan Platt Ren e Raphael Masaki Sato Heidi V Scott and Paula C Zagalsky **Authority and Spectacle in Medieval and Early Modern Europe**

Yuen-Gen Liang,Jarbel Rodriguez,2017-01-20 Bringing together distinguished scholars in honor of Professor Teofilo F Ruiz this volume presents original and innovative research on the critical and uneasy relationship between authority and spectacle in the period from the twelfth to the sixteenth centuries focusing on Spain the Mediterranean and Latin America Cultural scholars such as Professor Ruiz and his colleagues have challenged the notion that authority is elided with high politics an approach that tends to be monolithic and disregards the uneven application and experience of power by elite and non elite groups in society by highlighting the significance of spectacle Taking such forms as ceremonies rituals festivals and customs spectacle is a medium to project and render visible power yet it is also an ambiguous and contested setting where participants exercise the roles of both actor and audience Chapters in this collection consider topics such as monarchy wealth and poverty medieval cuisine and diet and textual and visual sources The individual contributions in this volume collectively represent a timely re examination of authority that brings in the insights of cultural theory ultimately highlighting the importance of representation and projection negotiation and ambivalence The Spanish Match Alexander

Samson,2017-05-15 In the spring of 1623 Charles Prince of Wales the young heir to the English and Scottish thrones donned a false wig and beard and slipped out of England under the assumed name of John Smith in order to journey to Madrid and secure for himself the hand of the King of Spain s daughter His father James I and VI had been toying with the idea of a Spanish match for his son since as early as 1605 despite the profoundly divisive ramifications such a policy would have in the face of the determined Puritan opposition in parliament committed to combatting the forces of international Catholicism at every opportunity With the Spanish ambassador the machiavellian Count of Gondomar s encouragement to mount Spain

Charles impetuously took matters into his own hands and as the negotiations stalled he departed secretly in the guise of Mr Smith to win with his romantic and foolhardy daring what his father could not achieve through diplomacy The eventual failure and public humiliation that followed his journey to Madrid has been cited as a major influence on Charles s subsequent development and policies as king Until now there has been no attempt to systematically explore the failure of the Spanish match from an interdisciplinary perspective including what it reveals about the practice of diplomacy the taste art and dress of the period its literature and the long term consequences for Anglo Spanish relations In this volume leading scholars from a variety of disciplines analyse the reactions and representations of Charles s romantic escapade and offer their insights into the affair In doing so many traditional assumptions about the trip are overturned By taking into account the political social religious and international dimensions of the event and examining historical literary and artistic evidence this volume paints a rounded lively and vivid portrait of one of the most remarkable episodes of the Jacobean age

A Companion to the Spanish Renaissance Hilaire Kallendorf, 2018-10-22 *A Companion to the Spanish Renaissance* makes a renewed case for the inclusion of Spain within broader European Renaissance movements Its introduction *A Renaissance for the Spanish Renaissance* will be sure to incite polemic across a broad spectrum of academic fields This interdisciplinary volume combines micro with macro history to offer a snapshot of the best new work being done in this area With essays on politics and government family and daily life religion nobles and court culture birth and death intellectual currents ethnic groups the plastic arts literature popular culture law courts women literacy libraries civic ritual illness money notions of community philosophy and law science colonial empire and historiography it offers breath taking scope without sacrificing attention to detail Destined to become the standard go to resource for non specialists this book also contains an extensive bibliography aimed at the serious researcher Contributors are Beatriz de Alba Koch Edward Behrend Mart nez Cristian Berco Harald E Braun Susan Byrne Bernardo Cante s Frederick A de Armas William Eamon Stephanie Fink Enrique Garc a Santo Tom s J A Garrido Ardila Marya T Green Mercado Elizabeth Teresa Howe Hilaire Kallendorf Henry Kamen Elizabeth A Leffeldt Michael J Levin Ruth MacKay Fabien Montcher Ignacio Navarrete Jeffrey Schrader L a Schwartz Elizabeth Ashcroft Terry and Elvira Vilches

Spain's Centuries of Crisis Teofilo F. Ruiz, 2011-03-21 A comprehensive history that focuses on the crises of Spain in the late middle ages and the early transformations that underpinned the later successes of the Catholic Monarchs Illuminates Spain s history from the early fourteenth century to the union of the Crowns of Castile and Aragon in 1474 Examines the challenges and reforms of the social economic political and cultural structures of the country Looks at the early transformations that readied Spain for the future opportunities and challenges of the early modern Age of Discovery Includes a helpful bibliography to direct the reader toward further study

Hog and Hominy Frederick Douglass Opie, 2008-10-08 Opie delves into the history books to find true soul in the food of the South including its place in the politics of black America NPR org Frederick Douglass Opie deconstructs and compares the foodways of people of African descent

throughout the Americas interprets the health legacies of black culinary traditions and explains the concept of soul itself revealing soul food to be an amalgamation of West and Central African social and cultural influences as well as the adaptations blacks made to the conditions of slavery and freedom in the Americas Sampling from travel accounts periodicals government reports on food and diet and interviews with more than thirty people born before 1945 Opie reconstructs an interrelated history of Moorish influence on the Iberian Peninsula the African slave trade slavery in the Americas the emergence of Jim Crow the Great Migration the Great Depression and the Civil Rights and Black Power movements His grassroots approach reveals the global origins of soul food the forces that shaped its development and the distinctive cultural collaborations that occurred among Africans Asians Europeans and Americans throughout history Opie shows how food can be an indicator of social position a site of community building and cultural identity and a juncture at which different cultural traditions can develop and impact the collective health of a community Opie goes back to the sources and traces soul food s development over the centuries He shows how Southern slavery segregation and the Great Migration to the North s urban areas all left their distinctive marks on today s African American cuisine Booklist An insightful portrait of the social and religious relationship between people of African descent and their cuisine FoodReference com

The First Asians in the Americas Diego Javier Luis,2024-01-09 Diego Javier Luis tells the story of transpacific Asian movement to and through the Spanish Americas On arrival in Mexico diverse Asian peoples became chinos subject to the colonial caste system Tracing Asian resistance and adaptation to New Spanish ideas of race Luis presents a Pacific focused narrative of the colonial Americas

Warriors for a Living Idan Sherer,2017-01-05 In Warriors for a Living Idan Sherer examines the experience of the Spanish infantry during the formative period of the Italian Wars Decades of clashes between Spain and France transformed Italy into a crucible of military tactics and technology and brought about the emergence of the Spanish infantry tercios as Europe s finest military force for more than a century From their recruitment through the complexities of everyday life in the army and culminating in the potential brutality of soldiering the book offers a fresh and much needed exploration analysis and at times reconsideration of what it meant to be a professional soldier in early modern Europe

Promissory Notes on the Treasury of Merits Robert Swanson,2018-11-12 Promissory Notes on the Treasury of Merits is a volume of 12 essays by a distinguished team of international scholars dealing with the place of indulgences in the religious life of Europe between roughly 1250 and the outbreak of the Reformation Some of the articles offer regional analyses stretching from Spain to the Netherlands from England to Bohemia and Italy Others deal with the theology and theological and practical controversies provoked by indulgences or with thematic issues like the place of indulgences in fifteenth century crusades in pilgrimage and the early exploitation of print in their distribution The complementary nature of the articles builds into a fuller picture of the central but hitherto neglected role which indulgences had in late medieval European religious life

A King Travels Teofilo F. Ruiz,2012 A King Travels examines the scripting and performance of festivals in Spain between 1327

and 1620 offering an unprecedented look at the different types of festivals that were held in Iberia during this crucial period of European history Bridging the gap between the medieval and early modern eras Teofilo Ruiz focuses on the travels and festivities of Philip II exploring the complex relationship between power and ceremony and offering a vibrant portrait of Spain's cultural and political life Ruiz covers a range of festival categories carnival royal entries tournaments calendrical and noncalendrical celebrations autos de fe and Corpus Christi processions He probes the ritual meanings of these events paying special attention to the use of colors and symbols and to the power relations articulated through these festive displays Ruiz argues that the fluid and at times subversive character of medieval festivals gave way to highly formalized and hierarchical events reflecting a broader shift in how power was articulated in late medieval and early modern Spain Yet Ruiz contends that these festivals while they sought to buttress authority and instruct different social orders about hierarchies of power also served as sites of contestation dialogue and resistance A King Travels sheds new light on Iberian festive traditions and their unique role in the centralizing state in early modern Castile
