Mathematics in Early Childhood Oliver Thiel, Elena Severina, Bob Perry, 2020-11-05 Structured around Bishop's six fundamental mathematical activities this book brings together examples of mathematics education from a

range of countries to help readers broaden their view on maths and its interrelationship to other aspects of life. Considering different educational traditions and diverse contexts and illustrating theory through the use of real life vignettes throughout this book encourages readers to review, reflect on and critique their own practice when conducting activities on explaining counting, measuring, locating, designing and playing. Aimed at early childhood educators and practitioners looking to improve the mathematics learning experience for all their students, this practical and accessible guide provides the knowledge and tools to help every child.

The Bloomsbury Handbook of Gender and Sexuality in Early Childhood Jessica Prioletta, Adam Davies, Kylie Smith, 2025-06-12. Gender and sexuality are often problematically considered to be irrelevant to very young children. This Handbook surveys challenges and advances the theories, research approaches and practices around gender and sexuality in the early years and foregrounds early childhood as a crucial site for constructions and deconstructions around gender and sexuality. The Handbook features chapters by leading academics, practitioners and policy makers based in Australia, Canada, India, Indonesia, South Africa, the UK and the USA. It covers a range of key critical theories, methods and practices including engagements with post developmentalism, feminist, Black feminist, queer and trans theories, intersections with indigeneity, race and class, ethnography, action research, care ethics and sexual health. The Handbook illuminates the importance of attending to gender and sexuality in the early childhood across various sites including in the classroom at home, in policy and more.

Leading Anti-Bias Early Childhood Programs Louise Derman-Sparks, Debbie LeeKeenan, John Nimmo, 2023. This popular book focuses on the leader's role in initiating and sustaining anti bias education in programs for young children and their families. This second edition emphasizes how the journey requires thoughtful, strategic, long term planning that addresses all components of an early childhood care and education program. The authors, who are recognized leaders and experts on anti bias education with extensive experience as early childhood directors, use a powerful combination of frameworks and practical tools to explain the structural and individual changes that leaders must foster. This updated edition features anti bias leaders from diverse settings who share their insights and strategies for working with teachers and families. Book Features: The principles and guidelines for program wide transformation. Professional development activities for teachers at all levels of experience. Approaches for engaging with families around social justice values. Strategies for strengthening the leader's ability to initiate and sustain anti bias change. Tools for documenting a program's progress in anti bias education. New for the Second Edition: Voices of additional leaders from the field highlighting BIPOC center directors from diverse settings. Updated research references and terminology. Strategies and activities for teacher professional development and family engagement based on 7 years of using the first edition. Expanded section on responding to opposition to anti bias education addressing the current political environment.

Early Childhood Education and Change in Diverse Cultural Contexts Chris Pascal, Tony Bertram, Marika Veisson, 2018-06-04. Change is now a dominant feature of early childhood systems around the globe and many countries are currently facing significant economic, social and political

developments that bring additional challenges that teaching and learning practices need to be able to respond to in a positive and effective way Early Childhood Education and Change in Diverse Cultural Contexts examines how the educational systems in different countries respond to this change agenda what they prioritise and how they deal with the adjustment process Based on original and cutting edge research and drawing upon diverse theoretical approaches the book analyses new policies and pedagogical practices in a wide range of different cultural contexts With contributions from Great Britain the USA Finland Sweden Iceland Estonia New Zealand South Africa and Singapore this volume examines how educators might be able to innovate and respond positively to the shifting social and cultural situations in these contexts and others like them Focusing on early childhood policy professionalism and pedagogy the book stimulates debate and dialogue about how the field is moving forward in the 21st century Early Childhood Education and Change in Diverse Cultural Contexts should be essential reading for academics researchers and postgraduate students engaged in the study of early childhood education childhood studies and comparative education Providing practical examples of how educational systems and educators might respond to change imperatives the book should also be of great interest to teacher educators current and pre service teachers and policymakers around the world *A Practical Guide to Early Childhood Curriculum* Claudia Fuhrman Eliason,Loa Thomson Jenkins,1990 **Resources in Education** ,2001 **Early Childhood Curriculum Resource Handbook** ,1993 *Strengthening Early Childhood Education and Care in Luxembourg A Focus on Non-formal Education* OECD,2022-02-24 In supporting children s development countries invest in the future successes of economies and societies Awareness of the critical role early childhood education and care ECEC plays in setting a strong foundation for children s learning development and well being has grown among policy makers worldwide
