Commentary from Jim Butcher The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short story format and in graphic novels like this one War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels and I'm extremely pleased with how well it's coming out
