HIS PART IN OUR LIVES

COMPILED BY MAXINE VENTHAM

Foreword by Shelagh Milligan

Spike Milligan His Part In Our Lives

Danny King

Spike Milligan His Part In Our Lives:

Spike Milligan ,2002 Over 40 friends and acquaintances of Spike one of Britain s best loved comedians have built this biography with their thoughts about him and recollections of their times together often amusing sometimes startling and poignant Contributors include Michael Palin Bill Wyman and Joanna Lumley *Soldiers of Song* Jason Wilson,2012-11-06 The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process *Soldiers of Song* tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity was not limited to troop shows along the trenches The group also managed a run in London s West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada **A Portrait of the Artist as Australian** Paul Matthew St Pierre,2004-09-30 A Portrait of the Artist as Australian offers the first critical assessment of Barry Humphries entire career as a daring postmodern deconstructionist on stage film and television with sixty seven stage shows twenty four film and thirty four video appearances thirty four television series and seventy one television appearances and seventy two audio recordings but especially what he calls his second career as author of twenty nine books With an oeuvre that includes novels biographies autobiographies editions compilations comic books poetry dramatic monologues sketches film scripts and several unclassified works Humphries is a literary and dramatic artist of considerable significance Arguing that Humphries is one of Australia s greatest writers Paul Matthew St Pierre reveals a multi faceted artist whose success is rooted in music halls Dadaism and his identity as an Australian **Milligan's Meaning of Life** Spike Milligan,2011-10-06 Spike Milligan s legendary war memoirs are a hilarious and subversive first hand account of the Second World War as well as a fascinating portrait of the formative years of this towering comic genius most famous as writer and star of The Goon Show They have sold over 4 5 million copies With his lightning quick wit unbridled creativity and his ear for the absurd Milligan revolutionised British comedy leaving a legacy of influence that stretches from Monty Python s Flying Circus to the work of self confessed acolytes such as Eddie Izzard and Stephen Fry today Throughout his life Milligan wrote prolifically scripts poetry fiction as well as several volumes of memoir in which he took an entirely idiosyncratic approach to the truth In this ground breaking work Norma Farnes his long time manager companion counsellor and confidante gathers together the loose threads reads between the lines and draws on the full breadth of his writing to present his life in his own words an autobiography of sorts From his childhood in India through his

early career as a jazz musician and sketch show entertainer his spells in North Africa and Italy with the Royal Artillery to that fateful first broadcast of The Goon Show and beyond into the annals of comedy history this is the autobiography Milligan never wrote Firesign Jeremy Braddock,2024-10-29 A cultural clearinghouse of the American 1960s and 70s told through the story of the period s most important forgotten comedy group This expansive book reclaims the Firesign Theatre hazily remembered as a comedy act for stoners as critically engaged artists working in the heart of the culture industry at a time of massive social and technological change At the intersection of popular music sound and media studies cultural history and avant garde literature Jeremy Braddock explores how this inventive group made the lowbrow comedy album a medium for registering the contradictions and collapse of the counterculture and traces their legacies in hip hop turntablism computer hacking and participatory fan culture He deploys a vast range of material sources drawing on numerous interviews and writing in tune with the group s obsessive and ludic reflections on multitrack recording radio television cinema early artificial intelligence and more to focus on Firesign s work in Los Angeles from 1967 to 1975 This ebullient act of media archaeology reveals Firesign Theatre as authors of a comic utopian pessimism that will inspire twenty first century recording arts and urge us to engage the massive technological changes of our own era **And Now for Something Completely Different**

Kate Egan,2020-09-21 Examining Monty Python s enduring status as an unconventional anti authoritarian comedy touchstone this book reappraises Python s comedy output from the perspective of its 50 years of cultural circulation Reconsidering the group s originality impact and durability a range of international scholars explores Python s influences production contexts frequently controversial themes and the cult status and forms of fandom associated with Python in the present day From television sketches including The Funniest Joke in the World Hell s Grannies Dead Parrot and Confuse a Cat to the films Monty Python and the Holy Grail Life of Brian and The Meaning of Life to songs from the albums and live shows this book is a ground breaking critical analysis of the Monty Python phenomenon **BBC Radiophonic Workshop's**

BBC Radiophonic Workshop - A Retrospective William L. Weir,2023-05-04 In 1958 an anonymous group of overworked and under budgeted BBC employees set out to make some new sounds for radio and TV They ended up changing the course of 20th century music For millions of people the work of the BBC Radiophonic Workshop was the first electronic music they had ever heard Sampling loops and the earliest synthesizers long before audiences knew what they were made up the groundbreaking scores for news programs auto maintenance shows and children s programming They also produced the Doctor Who theme one of the first electronic music masterpieces The Beatles Pink Floyd and others borrowed from them A generation of musicians raised on BBC programming Aphex Twin Portishead and Prodigy among them took these once alien sounds and carried on the Workshop s legacy Ignored for decades by music historians the Workshop is now recognized as one of the most influential forebears of electronica psychedelia ambient music and synth pop The Beatles , In My Life John England,2016-08-01 John England uses the words of the song to bring to life his memories of places and people he has

known and loved The memoirs are a personal account of life family and career with reflections on many themes particularly music This book will be a surprise to those who know John and those that don't John England uses quotes from a lot of different sources to comment and entertain It is a very readable account of the life and times of someone who has had a successful professional career and a private life touched by sadness but who has found happiness again **That's Life - Marty Whelan's Memoir** Marty Whelan,2015-10-16 From Norman Wisdom to Eurovision and everything in between a lively and entertaining memoir from one of Ireland's best loved personalities Throughout the highs and lows of a 30 year career as one of Ireland's best loved radio and television personalities Marty Whelan has always remained upbeat with a determination for survival and an enthusiasm for life In this warm and witty memoir Marty takes inspiration from the songs that have had meaning in his life as he explores some big themes love heroes family friendship music childhood and spirituality by way of Bruce Springsteen David Bowie Glen Campbell Paul McCartney The Three Degrees Frank Sinatra and Madama Butterfly Although he is one of Ireland's national treasures Marty has never stopped being a fan himself That's Life describes his many wonderful adventures up close and personal with his own heroes getting to bring his beloved mum to tea with her idol Norman Wisdom forgetting how to speak on coming face to face with Al Pacino entertaining Spike Milligan and dancing in the dark with Bruce Springsteen And yet at the heart of the book is the story of the man himself from growing up as an only child to his brief spell in a band that couldn't write any songs from dating in Dublin in the seventies to leaving his insurance job during lunch hour for his first broadcasting gigs on pirate radio and on to the many family highs and occasional heartaches A great man for the tangent you'll find you have to stop off a few times for the odd joke Marty will take you on a whirlwind journey through a life fully lived but most of all a life filled with love laughter family and friendship **Down the Rabbit Hole of Leadership** Manfred F. R. Kets de Vries,2018-10-10 In the previous book in this series Manfred Kets de Vries observed the experiences of leaders on a rollercoaster ride through their professional and personal lives Now he follows them down the rabbit hole into the unknown where like Lewis Carroll's Alice they find a dystopian Wonderland in which everyone seems to have gone mad and life functions according to its own crazy logic throwing up all kinds of obstacles in the search for truth Understanding what is happening around us has become more difficult than ever in the Age of Trump Don't imperatives like build that wall sound very much like Off with his head Unfortunately and unlike Alice we are not going to wake up from a bad dream and discover that everything is nothing but a pack of cards The first part of this book looks at the psychodynamics of leadership in both a business and a political context The second focuses on the psychopathology of everyday life in organizations and the seemingly endless ways people can make a mess of things including mega pay packages acting out digital addiction and other dysfunctional behaviour patterns Each chapter ends with a brief anecdote to illustrate the dilemma it presents In short sharp nuggets Kets de Vries helps make sense of how the madness of the present has affected leadership in organizations and the workplace The Surprise of My Life Claire Drainie Taylor,2010-10-30 It's

an autobiography If I tell you what s in it you won t read the book Claire Drainie Taylor Or would you Maybe you d be intrigued by the progression of a life begun as an unexceptional little girl born to a middle class Jewish Canadian couple in a small prairie town who at age sixteen married a refined Englishman and survived the Great Depression partly alone in a shack in the woods of Vancouver Island Or how only a few months after returning to Vancouver with no training and minimal education this same young woman walked on stage at one of Canada s finest old theatres and went on to a successful thirty year career as an actress and radio dialogue writer Having been compelled by her family to write her memoir it wasn t until she d finished and reread her manuscript that Claire Drainie Taylor realized what an extraordinary life she d led Her descriptions of the many fascinating incidents that make up her story and how she dealt with them revealed herself to herself in a way that illuminates what she calls *The Surprise of My Life* **Childhood and Youth Studies** Derek Kassem, Elizabeth Taylor, 2009-12-04 Explores a range of key issues related to children and childhood from birth to eighteen years This book is suitable for students as well as those studying relevant professional qualifications in social work teaching and health *The Henchmen's Book Club* Danny King, 2011 Mark Jones is a henchman for hire He guards bunkers patrols perimeters and stands around in a boiler suit waiting to get knocked out by Ninjas This is his job He has worked for some of the most notorious super villains the world has ever known Doctor Thalassocrat Victor Soliman Polonius Crump Mark was with each of them when they met their makers at the hands of British Secret Service super spy Jack Tempest and lived to tell the tale if not pay the bills Still for every hour under gunfire there are weeks and months of sitting around on monorails so Jones starts a book club with his fellow henchmen It was only meant to pass the time It was never meant to save the world From the bestselling author of *The Burglar Diaries* and the movie *Wild Bill* **A Time for Compassion** Michael John Cunningham, 2005 *Frost: That Was The Life That Was* Neil Hegarty, 2015-09-10 Sir David Frost was the only person to have met and interviewed every British Prime Minister since Harold Wilson as well as seven Presidents of the United States With unparalleled authorised access to David s family and friends in this book Neil Hegarty documents how he became the most successful TV host in the world his work defining the mood of the moment Frost didn t just report the news he made the news **Music Is Rapid Transportation** Lawrence Joseph, Dan Lander, Bill Smith, 2010 A truly alternative look at music lists not one that merely includes the obvious but shows the connections of popular music to the avant garde the obscure the experimental the quirky and the adventurous this edition leads the curious reader towards new musical experiences hitherto unknown to them *The Priest's Woman* John Stephen Ayliffe, 2012-10 Keeping the Faith in spite of the Church True love triumphs against the Catholic Church s most outdated law a gay priest is hounded by the Vatican s Secret Police a courageous young journalist takes on Nazi Germany and exposes the Pope who aided Hitler Composed over three decades my stories from real life are about the struggle between Faith and organised religion its hierarchical duplicity shameful denial and lack of justice and compassion I d love to be a Catholic but the Church is in the way says Jimmy who wants to

make love not war Rant & Dawdle William (Bill) E. Smith, Bill Smith, 2011 Untitled Document Rant they recorded five albums including collaborations with Joe McPhee and Wadada Leo Smith Smith has also recorded with among others Birdyak Wolfgang Fuchs and The Six Winds Smith initiated a series of projects with the title Imagine the Sound in the 80s including a book of his writings and photography and the acclaimed documentary film directed by Ron Mann Now residing on Hornby Island Smith currently works with Arthur Bull and Tony Wilson Comments on the self published limited edition from fellow artists You covered an enormous territory and gave new life to an era of history and ideals that we all need to remember There were so many things that rang a bell I wished I'd taken notes And so many times I laughed Renee Rodin Writer Visual Artist and Cultural Worker Vancouver Canada It's bleeding brilliant It's not a book it's an achievement Bravo Art Lange Writer Producer Former editor Downbeat Magazine Chicago USA Fantastic I started reading and found it was almost impossible to stop What is so great is that I can relate to a lot of things you write about Thank you very much And what a brilliant edition Leo Feigen Leo Records Newton Abbott UK I laughed out loud many times And the jazz stuff I think it's very important that you have written it all down Unique and insightful Jim Munro Musician Bricoleur Richmond Canada A wild bit of synchronicity today overburdened with work related stress I closed my office door and on impulse dialed up YouTube to watch the Chuvalo Ali fight which I have never seen it's there Later that same day I come home to my little apartment pour myself deep glass of scotch open your book randomly for a read only to find not only the wonderful evocation of the mystique of the Colonial Tavern but your beautiful account of that very same fight And so it goes Arthur Bull Musician Poet Chinese Translator Digby Neck Canada Live from the London Palladium Neil Sean, 2014-11-15 The Palladium is the world's most famous commercial theatre

Enjoying the Song of Phrase: An Emotional Symphony within **Spike Milligan His Part In Our Lives**

In some sort of taken by screens and the ceaseless chatter of instant interaction, the melodic elegance and emotional symphony developed by the published word often disappear into the back ground, eclipsed by the persistent noise and disturbances that permeate our lives. But, nestled within the pages of **Spike Milligan His Part In Our Lives** a marvelous fictional value filled with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this captivating masterpiece conducts visitors on an emotional journey, well unraveling the hidden melodies and profound influence resonating within each carefully constructed phrase. Within the depths of this poignant review, we shall explore the book is main harmonies, analyze its enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
