Hood, 2023-06-13 As she scans the dark pine forest, the unmistakable sound of a twig snapping breaks the silent stillness. She isn't alone. She begins to run, but she hardly has time to scream before her world goes black. On a secluded path near Black Rock Falls, three bodies lie bloodied and still, the arrows that killed them removed, and polished penny coins carefully placed on their frozen eyes. When Sheriff Jenna Alton and Deputy David Kane are called in, they are shocked to recognise the hallmarks of an infamous serial killer. But he's been in prison for ten years. Jenna is convinced that the attacker knew the trio and lured them into the forest. But who would want to harm three innocent teenagers? And how does a convicted murderer fit in? Jenna knows she must question James Earl Stafford, one of America's most dangerous killers, if she's to save more innocent young lives. With Stafford refusing to give answers, Jenna is convinced that a copycat killer is stalking her small town. And her worst fears are realised when a local fisherman discovers another teenager's lifeless body floating in the shallows of a local watering hole, with the same penny coins covering her eyes. As parents panic for their children's lives, Jenna works around the clock to track down the murderer, but little does she know that one of her own team is now being watched. Can Jenna play the killer's wicked game and prevent another life from being taken?
