The Best Short Stories of 1920 and the Yearbook of the American Short Story is a poignant anthology that captures the breadth and depth of short fiction from a transformative year in American literature. This compilation reflects the innovative literary styles of the time marked by modernist experimentation and a keen sense of social consciousness. The collection features works from notable authors such as F. Scott Fitzgerald and Willa Cather, providing readers with a diverse tapestry of themes ranging from existential woes to the intricacies of human relationships, all while showcasing the evolving narrative techniques of the early twentieth century. The anthology is a product of its time, with contributions from various authors who were influenced by significant historical events including World War I and the Roaring Twenties. This period prompted writers to explore new forms of expression, pushing the boundaries of character development and plot structure. The editors, keenly aware of the shifting cultural landscape, curatively selected stories that exemplified the complexities of the American experience during this era, fostering a rich dialogue among readers and writers alike. **Killer Fandom: Fan Studies and the Celebrity Serial Killer** Judith May Fathallah, 2023-11-05

Killer Fandom is the first long-form treatment of serial killer fandom. Fan studies have mostly ignored this most moralized form of fandom as a stigmatized "Bad Other" in implicit tension with the field's successful campaign to recuperate the broader fan category. Yet serial killer fandom, as Judith May Fathallah shows in the book, can be usefully studied with many of the field's leading analytic frameworks. After tracing the pre-digital history of fans, mediated celebrity, and killers, Fathallah examines contemporary fandom through the lens of

textual poaching affective community subcultural capital and play With close readings of fan posts comments and mashups on Tumblr TikTok and YouTube alongside documentaries podcasts and a thriving murderabilia industry Killer Fandom argues that this fan culture is in many ways hard to distinguish from more mainstream fandoms Fan creations around Aileen Wuornos Jeffrey Dahmer Ted Bundy and Richard Ramirez among others demonstrate a complex and shifting stance toward their objects marked by parodic humor and irony in many cases Killer Fandom ultimately questions given our crime and violence saturated media culture whether it makes sense to set Dahmer and Wuornos fans apart from the rest of us
