*Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States.

Internal Revenue Service,1986      *The Divine Economy* Witness Lee,1986      Chapters 5 through 8 of Romans—the Kernel of the Bible Witness Lee,Watchman Nee,2025-03-31 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the international Chinese speaking blending conference held in Anaheim California on February 14 16 2025 The general subject of the conference was Chapters 5 through 8 of Romans the Kernel of the Bible Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ      *New Creation in Paul's Letters and Thought* Moyer V. Hubbard,2002-07-11 As a biblical motif new creation resonates throughout the pages of the Jewish and Christian scriptures and occupies a central place in the apostle Paul's vision of the Christian life Yet the biblical and extra biblical occurrences of this theme vary widely in meaning referring to either a new cosmos a new community or a new individual Beginning with the Old Testament and working through the important texts of Second Temple Judaism Moyer V Hubbard focuses on how the motif functions in the argument strategy and literary structure of these documents highlighting its role as the solution to the perceived plight He then explores in detail which senses of the term Paul intends in Galatians 6 15 and 2 Corinthians 5 17 concluding that new creation in Paul's letters describes the Spirit wrought newness of the person in Christ and is fundamentally anthropological in orientation      **The Source of Life** Jürgen Moltmann,2014 Jürgen Moltmann here presents his reflections on the Spirit and the spiritual life that were the essence of his prior book *The Spirit of Life* In this short accessible work he combines a deep personal faith with admirable learning and experience Moltmann views the Holy Spirit as the power of new life which enlivens body and soul spirit and mind In the Holy Spirit we experience the presence of God community among people as well as between humans and all created living things on earth      **The Conclusion of the New Testament** Witness Lee,1985      **The Four Crucial Elements of the Bible -- Christ, the Spirit, Life, and the Church** Witness Lee, The Bible has its kernel its life its center which is constituted with the church Christ the Spirit and life These four items are the contents of the true substance of the Bible The revelation of the Bible particularly the New Testament stresses these four matters the church Christ the Spirit and life If we remove these four items from the New Testament all that remains would merely be dead letters These four crucial elements are also the four important items in the Lord's recovery today Hence we must all have a deep impression a fresh light and a renewed understanding concerning these four crucial elements      **The Padgett Messages-Soulful Teachings Living with Divine Love-** Zara Borthwick,Nicholas Arnold,2018-07-31 Between the years 1914 1920 James E Padgett received spirit communications that introduce the Divine Love and natural love that are

connected with teachings relating to the mortal soul God and the spirit world When James himself passed into his spirit life his friend Eugene Morgan received 3 known communications from James 1923 1925 In the year 2017 the message of Divine Love continues as James conveys spirit life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit life in the spirit world There is at present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love The Padgett Messages 1914 1920 and 2017 2018 provide a great reach of love that is an example for us all

**God's New Testament Economy** Witness Lee, God's New Testament Economy is a thorough study of the New Testament It does not provide superficial inspiration nor is it a dry systematic analysis However in this book Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God **Hades; or, the Intermediate state of man** Henry CONSTABLE (Chaplain of the City of London Hospital for Diseases of the Chest.),1873 **The Wesleyan-Methodist Magazine** ,1882 *The Church in a World of Religions* Tom Greggs,2021-12-16 In this collection of essays Tom Greggs explores the nature of the church in a world of many religions Greggs writings on the Church and on other religions emphasize the importance of attentiveness to Christ and the Holy Spirit and both are simultaneously generous and particularist The first part of the book addresses the Church as it is brought into being by the Spirit in glorifying God celebrates the sacraments respects the authority of the creeds is generously Catholic and critiques its own religion The second part looks at the church in a pluralist context as it engages in inter faith dialogue expresses both particularism and universalism speaks of Christ with many names and reads scripture and understands the many covenants found there Greggs offers a programmatic conclusion setting an agenda for theologies of the church and of other religions and their simultaneous relationality **Serenity And all kinds of Wonderful** Zara Borthwick,Nicholas Arnold,2016-06-24 Frequently Asked Questions about the Divine Love experience and our own soul and spirit guides There are many questions asked about a Divine Love experience how to receive the Divine Love and how one can physically feel the Divine Love Many of us have been introduced to the Divine Love by the form of spirit communication and this work follows this introduction This book is a perfect book for beginnings involving Divine Love and spirit guides
