New Series Library of Congress. Copyright Office,1938 The Spirit of D. H. Lawrence Gamini Salgado,G.K. Das,1988-06-18 **Deeper Than Roses** Charlene Cross,2012-05-22 Emerald eyes wide with terror auburn hair streaming exquisite Kristiana Harcourt fled into the night Her noble father lay dead With his murderer Edward MacHugh in hot pursuit she galloped wildly to freedom only to fall into the arms of a golden eyed Gypsy Born of a Gypsy mother Logan Chandler true Earl of Muircairn wore many disguises Committed to a desperate plan he was amazed to find that his love for this proud beauty ran even deeper than his lust for vengeance Safe yet reviled as an alien among his people Kristiana s trust in her virile protector would be sorely tested Only in the face of certain death would she discover that they shared one heart and be forced to betray him Returning to Castle Muircairn a woman wed to two men one beloved one abhorred her hope lay in the slender chance that Logan still lived For only he could triumph over MacHugh s black treachery to reclaim the land and the love that was their radiant birthright *The Columbian Magazine* ,1846 From the Khan's Oven Eren Tasar,Allen J. Frank,Jeff Eden,2021-10-11 The volume s unifying theme inspired by the scholarly legacy of Professor Devin DeWeese and indeed the subject of all the contributions is the history of religion among the Muslim peoples of Inner and Central Asia grounded in ignored or hitherto unknown indigenous sources Individually and as a whole the

articles pay tribute to DeWeese's pathbreaking contributions to the disciplines of history and religious studies by exploring new approaches and new sources to build on this legacy. The volume pays particular attention to DeWeese's point d'appui, the centrality of Sufism in the region's religious, social, and literary history. The volume's focus is thus twofold: to bring a new set of rich, largely unused materials into the scholarly domain among specialists on Central Asia and to challenge historians of Islam to recognize that understanding the religious history of Central Asia and Sufism in particular is crucial in evaluating the Islamic world as a whole. Letter and the Spirit of Nineteenth-Century American Literature Thomas Loebel, 2005. Moving back to the trial of Anne Hutchinson in Puritan Massachusetts and the captivity narrative of Mary Rowlandson in order to analyse the political signification, Loebel provides a new context for examining the politically performative function of language in such texts as *The Scarlet Letter*, *Uncle Tom's Cabin*, and *Waiting for the Verdict*. He also argues, however, that a specific theological logic manifests itself in the political rhetoric of the nation such that the afterlife of the New Jerusalem resonates not just in the Blessings of Liberty enshrined in the Constitution but also in the shift from a religious understanding of union with Jesus to that of the Union of States as a nation theorising representation as a political, theological, legal, and literary issue that has continued currency both in twentieth-century literature and in the political discourse of America's global vision such as the axis of evil and the new world order. Anyone interested in American literature and culture will view the relationship between ethics and justice differently after reading this book.

Spirit Week Ira Marcks, 2022-10-25. Secret rooms, eerie curses, forgotten caves. Could you survive a week in the Underlook Hotel? Aspiring engineer Suzy Hess is invited to the famous Underlook Hotel, domain of the reclusive horror writer Jack Axworth, in the mountains above her hometown of Estes Park, Colorado. Suzy thinks she's there to tutor Jack's son Danny, but instead she finds herself investigating a local curse that threatens the landmark hotel. With the help of Elijah Jones, an amateur filmmaker who thought he'd been asked to make a film about the so-called King of Horror, Rena Hallorann, the hotel's caretaker, and Danny, who knows more than he's letting on, Suzy sets out to solve the mystery at the heart of the Underlook, one that holds the town of Estes Park in its grasp. With only a week to save the hotel and the town, the friends find themselves racing against time to uncover the shadows of the past.

A Spirit that Impels M. Gerard Fromm, 2018-05-01. This volume brings together some of the papers presented by leading scholars, artists, and psychoanalysts at an annual Creativity Seminar organised by the Erikson Institute of the Austen Riggs Center. Looking at creativity through a psychoanalytic lens and, very importantly, vice versa, the authors examine great works such as Nathaniel Hawthorne's *The Scarlet Letter*, Mahler's Eighth Symphony, and William Gibson's *The Miracle Worker*, as well as

great artists such as Van Gogh and Lennon and McCartney for what we might learn about the creative process itself Deepening this conversation are a number of clinical studies and other reflections on the creative process in sickness and in health so to speak A central theme is that of deep play the level at which the artist may be unconsciously playing out on behalf of all of us the deepest dynamics of human emotion in order that we may leave the encounter not only emotionally spent but profoundly informed as well

Isaiah Howard McCarthy, 2020-01-21 This book is a historical novel It is inspired by the life of Isaiah Dorman It has to be a historical novel because there is virtually no information about his early life as a slave on the Louisiana plantation where he was believed to have been born Also there is only sketchy information on his time spent with the Santee Sioux and there is only basic information about his years working with the Army However all the information about the life of a slave on a cotton and rice plantation during his lifetime has been meticulously researched as has been the life of the Santee Sioux during that time period The historical events are also factual and well researched The book is written in three parts The Slaves The Sioux and The Soldiers The Slave portion deals with Isaiah s life on the plantation until he ran away in his early twenties This section explores his early years his relationship with his parents peers and his attitudes about being a slave The period with the Santee Sioux explores his life with this tribe and his relationship with the warriors and other members of the tribe It also tells how he met his wife and about their life together His time with the Army is detailed up until the time he met his death on June 25 1876 scouting for General Custer at the battle of the Little Bighorn The Aftermath deals with what transpired after with the Sioux and African Americans in the years after the battle
