Why do so many people go through life feeling unfulfilled incomplete What is necessary to achieve happiness *A Spiritual Guide for Today* describes five qualities of the soul that are especially important in achieving spiritual fulfillment Three of these concern balance having your head on straight The other two have to do with service to others Service is necessary so that your achievement of balance bears fruit it is love that is shared with others The book offers guidelines to help you decide where you are now in your spiritual journey and whether you are ready for the next step Only a huge amount of self-confidence in one's inner integrity can permit such a seemingly reckless leap of faith to jump clear of rules and taboos Thus the book is intended for older rather than younger readers Author Thomas Gilgut tells how dealing with our failures can be an important part of spiritual growth how purity of intention is vital to effectively serving others and how when it is necessary to intervene in the lives of others we must lead with love before making judgments Above all is the importance of reading the Gospels to know and follow Jesus The Guide recommends books for deeper study by authors as diverse as Mother Teresa Hermann Hesse Anne Rice Richard Rohr and Alan Watts *A Spiritual Guide for Today* is a short book one that can be read in just a few hours But it will point you in

directions that will enrich your life and bring you more and deeper happiness than you ever imagined Thomas Gilgut Jr is a native of Massachusetts who has spent most of his life in New York s Hudson Valley Following degrees from Harvard and Columbia Business School he enjoyed a career in business journalism newsletter publishing and the marketing of electronic texts to schools He is a Catholic whose interests range from libertarian politics to architecture for independent living to investing in emerging markets to spiritual growth *Spirit Guide Contact Through Hypnosis (Volume 2 of 2) (EasyRead Super Large 24pt Edition)* , **A Practical and Spiritual Guide to Personal Healing** James Mackey,2009-11 This is an exciting new book for professionals and laymen alike who want to understand and practice healing for everyday living Why are some people healed and others suffer with emotional and physical problems for years In reading this book you will unlock the hidden secrets of unleashing the power of total healing in your life Every activity whether or not consciously intended is the direct response from the subconscious mind You will learn the forgotten secrets locked in your mind and be guided to live a healthier and happier life for each day Dr Mackey reveals the reason why we find it difficult to make needed changes in our actions and thoughts You can experience the healing that is needed most in your life and move away from a victims mind set Don t live another day without this book it will change you r life and thinking for creating needed change and miracles in your life *The Meeting Place and Other Poems* G.
