Spirit Of Truth And Error:

Comparing Christianity with the Cults Keith Brooks, Irvine Robertson, Dillon Burroughs, 2007-04-01 What constitutes a cult How does it contrast with what the Bible says These colorful and concise brochures will answer seven fundamental questions of life and belief Contrasted with the truth of God s Word are cults such as Christian Science Spiritualism Jehovah s Witness Scientology Mormonism Eastern Mysticism Unification Church Wicca and others Perfect for training or for keeping by your front door Formerly titled The Spirit of Truth and the Spirit of Error **SPIRITUAL WARFARE: A Struggle for Truth** Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare The Spirit of Truth and the Spirit of Error (1 John 4:6) ,191? **The Index** ,1875 **The Quest For Truth** Michael Dedivonai, 2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint

on every facet of life today it has failed to satisfy the innate question of simply why *A Pneumatology of Race in the Gospel of John* Rodolfo Galvan Estrada III, 2019-11-28 How do the Greco Roman views of ethnicity inform our reading of the Spirit in the Fourth Gospel This study not only reviews the role of ethnicity and race in the ancient world it also proposes a bold new understanding of Johannine pneumatology From an ethnocritical perspective this study argues that the Spirit was articulated for an ethnically diverse Johannine community that was dealing with the issues of race relations The Spirit is the divine breath of God that commissions Jesus for the redemption of all ethnicities The Spirit is involved in the maternal birth of all ethnic members who are in the family of God The Spirit draws all people despite their ethnic lineage and heritage And the Spirit is actively involved as an advocate for the minoritized community undergoing synagogue violence Will the members of the Johannine community still hold onto ethnic ideologies of dehumanization that were prevalent of their age Can the Johannine community still have the Spirit and support ideologies of ethnic division and hate This study seeks to answer these questions **Your Breakthrough Is Here** Chaundr Hutchinson, 2004-10 We have to stay sober so we can further build and sustain our strong and mighty homeland The grace and power of Almighty God keeping us sober with a sound mind are at the heart of an ever thriving and successful nation With terrorism threatening to destroy us we must have the mind of Christ and godly wisdom to make excellent strategic decisions to prosper and to have good success We cannot allow our personal or our national defenses to be weakened or demolished by self destructive intoxicating substances and spirits that we can overcome by the power of our Sovereign Lord In this book you will learn Why the medical community can't heal alcohol and drug addicts Almighty God's Spiritual Prescriptions that can really heal addicts forever Almighty God's promises to lift you up and clean up your life in every way How Almighty God will restore health to you and heal all of your wounds I was addicted to drugs and alcohol intermittently from ages eleven to twenty nine Then God gave me a brand new life full of His love grace power and prosperity I have ministered to and seen Him do the same for many people Almighty God will do it for you too

Strategic Weapons of our Warfare , *The Truth About The TRUTH* Tommy Beeker, 2018-07-19 Have you like millions of Christians around the world believed that any Bible version is the pure inerrant and perfect Word of God As Christians we all hold to the fact that God's Word the Holy Bible is the final authority of what we believe and practice as Christians However if you discovered that the Bible you are reading and believe to be God's Holy Word has complete verses missing and that it removes the blood atonement of Jesus questions His deity deletes the Trinity and then adds and subtracts words that completely changes the meaning would it upset you to discover that you had been deceived and lied to The Truth About The TRUTH is a must read for all Christians This book will challenge you in many ways and yet provide solid evidence that there has indeed been a huge ongoing deception concerning the modern bible versions Here are a couple questions to ponder Does your easier to read modern bible contain only the truth or has it been corrupted with verses missing and words added and deleted which change the meaning of God's Word Are you willing to apply 2 Timothy 2:15 to find out Challenge
