Spirits In Spacesuits:

Spirits in Spacesuits Sean OLaorie, Seán ÓLaoire, 2003 Spirituality has oft been reduced to just religion religion further reduced to mere morality and morality ultimately reduced to sexuality This book is not about how to be good nor even religious but about being mystical the only reason for the experiment that is life on planet Earth A Sensible God Seán ÓLaoire, 2008-10-03 A SENSIBLE GOD This the third volume in the series comes from a Celtic soul a scientific mind and a poetic heart It is a book of stories and scriptures of science and psychology of theology and wisdom of poetry and passion The Big Bang was the sound of God laughing uproariously at the wonder of His latest creation And since the main difference between fanaticism and passion is a sense of humor this volume has plenty to make the reader laugh It comes from the tongue of a story teller priest who spent his childhood steeped in the mythology of Ireland and another 14 years immersed in the folklore of East Africa

Healing, Intention, and Energy Medicine Wayne B. Jonas, Cindy C. Manifesting Spirits Jack Hunter, 2020-12-12 An exploration of contemporary trance and physical mediumship at a private spiritualist home circle called the Bristol Spirit Lodge Located in a garden on the outskirts of Bristol the Lodge is a wooden shed specially constructed for the purposes of mediumship development and spirit communication Through a combination of ethnographic observations in s ances including his own experiences of mediumship development and interviews with spirits and their mediums Hunter delves into a sub urban world of trance states ectoplasm spirit lights and discarnate entities Issues relating to altered states of consciousness personhood performance and the efficacy of ritual are examined in order to make sense of the processes by which spirits become manifest in social reality A large part of Manifesting Spirits is given over to a broader discussion of anthropology s evolving attitudes toward the paranormal as a component of the life worlds of many people across the globe and argues for the development of a non reductive anthropological approach to the paranormal and mediumship in particular This emerging framework referred to as ontological flooding does not attempt to explain away the existence of spirits in terms of functional cognitive or pathological theories as most mainstream theorists tend to do but rather embraces a processual perspective that emphasises complexity and multiple interconnected processes underlying spirit possession performances and experiences **BLOOD BOOK**

Michael O. Edwards, From the very beginning of human history it is revealed When Adam and Eve sinned God shed innocent blood in order to make them clothes from animal skin This is a picture of the covering of righteousness that we received when the Lord Jesus Christ died for us This is perhaps the most important and vital virtue of the blood That is the cleansing power of the blood from all sins and the ability to impute to us who accept Christ His righteousness And this book gives a

better understanding of the mystery of blood Ge 4 3 And in process of time it came to pass that Cain brought of the fruit of the ground an offering unto the LORD 4 And Abel he also brought of the firstlings of his flock and of the fat thereof And the LORD had respect unto Abel and to his offering In Genesis four we read that Adam and Eve had two sons Cain and Abel They instinctively wanted to worship God Cain sacrificed the fruit of the ground Abel had already learned that God demanded blood so he brought a lamb This is confirmed by the scripture in Hebrews that tells us Abel offered his sacrifice by faith and the bible tells us Faith comes by hearing Heb 11 4 By faith Abel offered unto God a more excellent sacrifice than Cain by which he obtained witness that he was righteous God testifying of his gifts and by it he being dead yet speaketh Ro 10 17 So then faith cometh by hearing and hearing by the word of God That means Abel must have learnt blood sacrifice by hearing from God or from his father that without blood there is no remission and the Introduction 2 reconciliation to God in worship and relationship was only possible by the sacrifice of the blood God accepted the blood of Abel s lamb but He did not accept Cain s offering
