Hudnall, 2004-10-20 The terrorist attacks of September 11 2001 marked the first time since Pancho Villa's raid on Columbus New Mexico that an enemy has attacked an American city Was this just a fluke or a sign of things to come Just how safe are the Borders of the United States For the first time an author with a background in urban warfare and counter terrorism shows the true state of border security Are we secure or is target waiting for a marksman Find out the truth in No Safe Haven Homeland Insecurity **The Veterans' Practical Primer** Ken Hudnall, 2005-05 A practical guide for the veteran outlining how to obtain all of the benefits to which he or she is entitled *The Occult Connection II* Ken Hudnall, 2004-10 For the most part mainstream science dismisses stories about early civilizations such as Atlantis as myth Kendall discusses the very real possibility that descendants of the survivors of the mother civilizations work in the shadows to rule mankind *Noah And The Great Flood* Jerry Blount, 2017-04-17 The apostle Peter warned us that in the last days before the end times there would be a new philosophy that would deny that there ever was a worldwide flood They would deny that God created the world the existence of God and the coming end time judgment by fire Today we see this taking place exactly as Peter had predicted This book provides proof of a Biblical worldwide flood and backs it up with geological data The information in this book offers evidence of creation by an omnipotent God and a global flood as God's judgment of a sinful world It provides evidence as to what the earth was like before the flood It was a world which after creation God had declared very good Even after the fall of man it was still paradise compared with the world we know today The effects of catastrophic worldwide flood changed this planet drastically This book also offers extensive proof that disproves the theory of evolution New scientific discoveries are showing that evolution is impossible Also contained in this book is considerable scientific evidence showing that the earth is only a few thousand years old This book may go against much of the popular scientific views of today but it does so with the evidence to back it The Bible gave us the history as well as the future of this world The scientific and geological data that is available today fits well within that Biblical framework In fact it fits within the Biblical framework much better than any theories the evolutionary community has come up with as this book will show
