Overcoming the Enemy , 2015 *Prayer and Spiritual Warfare: Spiritual Victory for the 21st Century* Amilliah Kenya, 2014-11-07 Spiritual warfare is a reality that faces Christians every day Their daily walk with the Lord and fight with Satan affects every aspect of their life their personal victory the state of their families their interaction with the world around them and their ultimate service and performance on earth Every Christian finds himself harassed and under the relentless hand of the enemy Spiritual casualties surround us on every side Luke warmth defeat and compromise seem to be the order of day Deep within the heart of every true Christian stands a hunger to please his Master This book focuses on that deep cry the spiritual seed within It equips the child of God and steadies him to a life of spiritual fulfillment in Christ as he fights and wins spiritual battles Nobody is born a natural spiritual fighter Like any army which recruits soldiers and trains them before releasing them to the battle field the Christian soldier likewise has to be trained His training is crucial knowing that the enemy he is fighting does not give him a chance to train before launching his attacks Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths It teaches the nature of the spiritual battle what it takes to win battles and weapons that are used to fight in this warfare It trains God's soldiers to receive and obey orders from the war General God It discloses the deceptive schemes of the enemy and equips believers to deal with opposition and stand their ground in battle It exalts Christ and points to His role in spiritual warfare It weaves practical modern day 21st century struggles that face Christians and the church as a whole with scriptural

truths of God's Word to combat spiritual apathy. Yes, Christians can fight the enemy with courage and be the light of the world today.

The Burnt Schoolhouse Lonnie Denney, 2012-04-19 Superstition is a way of life for many people in the mountain communities of northwestern North Carolina and eastern Tennessee. When superstition is blended with Christianity, a hybrid faith emerges that leaves the worshipper without a steady footing for the problems of life. Hybrid Christianity is not only a part of mountain communities; it is also a way of life for many Christians in areas where superstition may not be as noticeable. This book seeks to help you work through your faith in order to burn the things in life that prevent you from walking victoriously with Jesus Christ. Through the personal testimony of Lonnie Denney, you will be able to relate to the struggles and victory that every Christian faces in the modern world. For anyone who has ever questioned their own faith and especially for those who seek to grow closer and more intimate with the Lord Jesus Christ.

Overcoming Spiritual Blindness James P. Gills, 2012-06-28 All too often our modern society lacks both sight and insight, resulting from a refusal to see the reality of creation. Such lack of recognition and appreciation for the Creator is spiritual blindness. Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look. Author Dr. James Gills, a world-renowned ophthalmologist with a deep love of the Bible, writes about spiritual blindness with stunning clarity and relevance. This book illustrates a powerful biblical theme often repeated throughout the Scriptures: the analogy between the physical and the spiritual realms regarding blindness and sight. From Isaiah's vision of a day when God's Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God, *Overcoming Spiritual Blindness* emphasizes the power and work of the Holy Spirit. What the surgeon does for cataracts that hinder sight in the physical eye, the Holy Spirit does for the cataracts of the heart. *Overcoming Spiritual Blindness* exposes obstructions to spiritual sight that cloud the lens of the soul. Such cataracts include pride, misguided concepts of money, preoccupation with work, distorted views of sex, and a critical spirit. The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness. The list of spiritual cataracts is vast and painfully relevant, highlighting the need for spiritual surgery to those who do not realize they are blind.
