**WHY THE READER SHOULD READ THIS BOOK**

This is not another book about the women's spirituality movement or about why women are goddesses. Rather, it is a bridge between traditional magical wisdom and the everyday challenges of the woman of the 90s. It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives. It will give them permission and purpose to become what they really are: perfected beings. It will also bring on an almost instant wakeup call for men. It embraces no particular theology, religion, or mythology and is not a psychological treatise. It does not advocate any one path to take, nor is it anti anything except ignorance. It does come from a spacious metaphysical vision that many will relate to with a sigh of relief. The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being because she does not even have the voice or words to help herself. And most books on this subject are still either too academic or beyond the average woman's experiences. This book will serve as a tool and a light to help her see herself. The Talking Stick section at the end of each chapter is to jumpstart some profound self-questioning as well as a handy starting point in teaching situations ideal to teach self-empowerment workshops all over the world. The extensive Resources section at the back of the book is to help locate the key material for the process. This book will be appropriate for several markets: Feminist, Goddess, Spiritual, Metaphysical, Women's Self-Help. It should be in metaphysical centers, universities, feminist study groups, and women's conferences and gatherings. It is for women ages 16-90 who seek inspiration and practical advice. It is for men who are trying to align with the female spirit both in women and themselves.
