**Spiritual Disciplines within the Church** Donald S. Whitney, 1996-09-10 You're worth it You deserve a break today Do

something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In Spiritual Disciplines Within the Church seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can't I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn't I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer Spiritual Disciplines Rose Publishing, 2014-07-07 The Spiritual Disciplines Pamphlet explains the classic spiritual disciplines that help us follow Jesus Scripture reading prayer fasting worship solitude and evangelism The Spiritual Disciplines Pamphlet makes an excellent handout or Bible study on Christian maturity for a small group or Sunday school class It addresses questions such as What does it mean to be Jesus disciples in the twenty first century Do spiritual disciplines look different in an electronic age How can spiritual disciplines be a joy not a legalistic burden Includes an explanation and advice on these Spiritual Disciplines Bible Reading Study Prayer Fasting Worship Service Solitude Discernment Evangelism Each Spiritual Discipline includes Examples from people in the Bible Tips for getting started How each discipline helps us to have a Christ focused life Discussion Questions Scripture Reading Read two of the Bible passages from the list on page 5 In your opinion what is the message of these passages Read the section on The Disciplines Today Some people love to read the Bible others see it as a challenge What ideas might work for those who struggle Prayer Read one of the Psalms listed at the top of page 6 and pick one other Bible passage in that section What is the writer of the Psalms expressing in his prayer Is he being honest with God about his emotions and problems In what way does this change your view of prayer What attitude should we have What kinds of prayers should we avoid Pick one of the ideas in The Disciplines Today and share how you might apply it Fasting Choose two of the passages at the top of page 8 to read Why did these people choose to fast Now look at the quote How can we keep our focus on the right thing Fasting is one of the most neglected of the Spiritual Disciplines but it is excellent for teaching us self control Look at the tips How might you practice the discipline of fasting Worship People worship in many ways as we can see from the biblical examples at the top of page 9 Which of these suit your personality and circumstances the most Look at the first point under The Disciplines Today In practical ways how can we develop the right attitudes When we worship in a group the experience is often different from our private times of worship What are the benefits of each Service Jesus could have forced and bullied everyone into obeying him Yet he did not He chose to be a servant Pick one of the passages from the

Biblical Basis section at the top of page 10 and explain how Jesus leadership is different from the kind of leadership found in the world today Read the tips on page 10 How will you serve others in a way that imitates Jesus Solitude Many biblical leaders sought to be alone with God Pick one of the examples on page 11 and note anything of interest to you If you are the type of person who likes having a lot of noise in your life how do you practice solitude What are the benefits of going off by yourself and praying and resting Discernment Look at the examples of biblical discernment at the top of page 12 Read both of the last two bullet points in the Biblical Basis section What does discernment mean and how does it look today Some people seem to have the spiritual gift of discernment but all believers can be more discerning in general Why is it important to discuss issues with other believers Evangelism Read all of the points at the top of page 13 What did Jesus teach Look at the tips What do you see as the most important It is often easiest and most natural to share your own story with close friends Do you ever sense an opportunity to discuss spiritual matters Perfect for discipleship or small groups Habits for Our Holiness Philip Nation,2016-02-22 Not your typical spiritual disciplines book Most books on the spiritual disciplines follow the same pattern introduce the discipline prove it from Scripture and give tips for how to do it Habits for our Holiness does more than that It connects the disciplines to all of life By showing how the disciplines have their greatest power when practiced in community and on mission Philip Nation gives Christians a bigger reason and greater desire to pursue spiritual disciplines He also warns us of what happens when we neglect them With plenty of examples stories and illustrations Habits for our Holiness will inspire you to nourish your life with discipline enjoy the fruit of godliness and have a hand in building the church **Marriage Spirituality** R. Paul Stevens,1989-12 *Spiritual Disciplines Devotional* Valerie E. Hess,2007-05-30 Have you been longing to learn more about spiritual disciplines but haven't known where to start Focusing on a different core spiritual discipline each month this year long devotional includes brief daily readings to help you develop holy habits Once a week family activities are also included to interactively teach children about spiritual disciplines *The In Touch Study Series* Charles F. Stanley,2000-07-04 There is much talk today about the spiritual disciplines The age old tools of Bible study prayer witnessing church attendance service and obedience are still relevant today Outlining the various stages of spiritual growth and how we can find Christ in every circumstance this study enables believers to lay aside every sin and weight that would hinder them in their walk with God Insight from one of the world's most popular pastors for Christians who desire to be all that God has called them to be Practices of Love Kyle David Bennett,2017-08-22 Spiritual disciplines are often viewed primarily as a means to draw us closer to God While these practices do deepen and enrich our vertical relationship with God Kyle David Bennett argues that they were originally designed to positively impact our horizontal relationships with neighbors strangers enemies friends family animals and even the earth Bennett explains that this horizontal dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant doable and

meaningful for everyday Christians Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things such as think eat talk own work and rest Through personal anecdotes engagement with Scripture and vivid cultural references he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing renewal and transformation to our day to day lives and the world around us

**Disciplines of the Holy Spirit** Siang-Yang Tan, Douglas H. Gregg, 1997 This book shows readers how to yield to the power and the influence of the Holy Spirit through the disciplines of solitude surrender and service

**From Cloisters to Cubicles** David Srygley, 2015-02-06 Many have tried many have failed Spiritual disciplines meant to strengthen and encourage Christian living have become a source of frustration and disillusionment for many Christians Many of the books available are steeped in mysticism monasticism and non biblical language It doesnt take long for a Christian to begin thinking spiritual disciplines are so heavenly focused that they are no earthly good From Cloisters to Cubicles redefines spirituality spiritual disciplines and Christian maturity in such a way that any Christian can understand practice and grow through the practice of spiritual disciplines Instead of spiritual disciplines being focused on strengthening just the spiritual dimension of life they become exercises that strengthen ones everyday walk with God in this world To accomplish this goal spiritual disciplines must be understood as exercises in the reintegration of faith and life They should help Christians appraise all things as spiritual beings 1 Cor 2 15 and take every thought captive to the obedience of Christ 2 Cor 10 5 From Cloisters to Cubicles helps Christians bring the strength and guidance of the Holy Spirit back into their daily lives Christians can live in this world with all the power and wisdom meant for them as citizens of the kingdom of God Christians really can have the kingdom life now If you are a beginner it will give you a place to start If you have already progressed from milk to meat it will provide a map for spiritual growth that can keep you absorbed for a lifetime Joe Barnett
