Spiritual Heritage Of The United States Capitol:

A Spiritual Heritage Tour of the United States Capitol David Barton, 2000 This tour through the inside of the Capitol will give you not only an exclusive look at the building but also a unique perspective on its history You will be inspired by the many godly heroes honored throughout this structure and will discover the beautiful religious artwork and engravings displayed inside Numerous historical reenactments in this video will bring to life those great men and the event depicted throughout the Capitol *The Rowman & Littlefield Handbook of Contemporary Christianity in the United States* Mark A. Lamport, 2022-02-15 The Handbook of Contemporary Christianity in the United States is a one volume examination of Christianity in its role contributions and embattled engagements with the contemporary culture of the postmodern United States While Christianity has been a sustaining force and dominant storyline of the historical foundations of America obvious social political and scientific inroads have lessened its influence and altered the issues considered The handbook explores the strengths and weaknesses of the Christian faith and traditions in the United States and its rich and textured history with a discernable eye toward how the message strategies and initiatives of Christianity has adapted to contemporary American life

America, Christianity, And The Forgotten Link Allen Wooten, 2013-06-10 Prov 18 17 He who tells his story first makes people think he is right until the other comes to test him For almost seventy years now we've been taught American history primarily from a secularist's viewpoint with seemingly convincing arguments for a Godless America and Constitution that it sounds right Yet Christian Americans have heard enough And we're now stepping up to cross examine their claims with books like this one What were the religious beliefs of most of our nation's founders Was America founded as a Christian nation and what does this mean Where did the concept of religious freedom originate and how did it evolve into what it is today If we started out as a Christian republic then what went wrong How can we restore our founders original intent to America This book highlights the Christian influences in America's exploration colonization national formation and progression Once you've heard this other side of the story you must make up your own mind and then act on it **The Jesus Machine** Dan Gilgoff, 2007-03-06 Sample Text Saving History Lauren R. Kerby, 2020-02-21 Millions of tourists visit Washington D C every year but for some the experience is about much more than sightseeing Lauren R Kerby's lively book takes readers onto tour buses and explores the world of Christian heritage tourism These expeditions visit the same attractions as their secular counterparts Capitol Hill the Washington Monument the war memorials and much more but the white evangelicals who flock to the tours are searching for evidence that America was founded as a Christian nation The tours preach a historical jeremiad that resonates far beyond Washington White evangelicals across the United States tell stories of the nation's Christian origins its subsequent fall into moral and spiritual corruption and its need for repentance and return to founding principles This vision of American history Kerby finds is white evangelicals most powerful political resource it allows them to shapeshift between the roles of faithful patriots and persecuted outsiders In an era when white

evangelicals political commitments baffle many observers this book offers a key for understanding how they continually reimagine the American story and their own place in it Financial Disclosure Reports of Members of the U.S. House of Representatives for the Period Between January 1, 2002 to December 31, 2002 United States. Legend of the Rainbow Warriors Steven McFadden,Ven. Dhyani Ywahoo,2005-07-13 Legend of the Rainbow Warriors is a journalist s account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time One dominant myth is formed by advertising images of vast luxurious wealth the myth of materialism Another myth is conjured in the bloody sorrowful images that pervade movies music and computer games the myth that the world is hate filled and chaotic beyond redemption The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect freedom and responsibility As drawn from dozens of historical accounts the Legend of the Rainbow Warriors relates that when the Earth becomes desperately sick people of all colors and faiths will unite and rise to face the overwhelming challenges with insight honesty caring sharing and respect Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted eye opening and soul inspiring

Christodemocracy and the Alternative Democratic Theory of America's Christian Right Gabriel S. Hudson,2016-06-25 This book evaluates the democratic theory of America s Christian Right CR The CR has been examined extensively in academic literature However most analyses focus on its origins policy preferences or successful mobilization Hudson instead examines the normative assumptions about governance that inform CR activism The CR has its own answers to the core questions asked in democratic theory such as What legitimizes power and What is the proper relationship between the state and the individual The author outlines ten normative assumptions of the CR and compares each to its counterpoint in liberal democratic theory Much of what the CR believes about democracy comes from the same authors as modern and postmodern democratic theory but differs in its interpretation and application The book describes in detail the theory of CR and demonstrates how the CR operates from a different view of governance than is usually associated with the United States Founding Sins Joseph Solomon Moore,2016 In *Founding Sins* Joseph Moore examines the forgotten history of the Covenanters America s first Christian nationalists He explores how they profoundly shaped American s understandings of the separation of church and state and set the acceptable limits for religion in politics for generations to come *American Fascists* Chris Hedges,2008-01-08 From the celebrated author of *War Is a Force That Gives Us Meaning* comes a startling expos of the political ambitions of the Christian Right a clarion call for
