Hearing God's Voice Henry T. Blackaby, Richard Blackaby, 2002 Based on classic *Experiencing God* principles *Hearing God's Voice* is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend **Issues in Contemporary Pentecostalism** R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19 Going Full Circle Mark Powers, 2013-07-03 In the grip of serious numerical decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions *Going Full Circle* uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshiping disciples on mission Are you a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement **Growing the Church in the Power of the Holy Spirit** Brad Long, Cindy Strickler, Paul Stokes, 2009 A highly practical guide for nurturing relations between believers and the Spirit in order to better advance the Kingdom of God *Pitchin' A Fit!* Israel Wayne, Brook Wayne, 2016-02-18 Parenting comes with stresses that can make the most laid back among us feel irritable frustrated and angry Even parents who sincerely love their children sometimes use the wrong methods of anger and frustration in an attempt to control their children But angry parenting doesn't just weaken relationships between parents and their children it can over time destroy them Few parents set out to become yelling meanies who no longer enjoy their children Yet many feel stuck unable to pull themselves out of their ugly habits This book Provides practical and biblical solutions to get to the other side of the issue Gives hope and freedom from the tyranny of stressed out and angry parenting Offers solutions that are ideal for any family If anger is in your home even in small ways this book is for you It is time to replace that anger with something more powerful patience and

peace Israel and Brook share candidly from their experience as parents Transforming Pastoral Leadership Quentin P. Kinnison, 2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo Transforming Pastoral Leadership responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ's preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations Transforming Pastoral Leadership suggests two processes that might help congregations discern God's missional promptings as they move forward into God's future and experience conflict as opportunities for transformation **HEALING A WOUNDED LEADER** Wendell J. Davis Sr., 2013-05-16 Effective leadership is required in the twenty first century churches as these churches are facing numerous issues due to ineffective leadership In order to lead churches wounds of leaders must be healed up in the Christian ministry Today the churches of America are facing leadership issues because their leaders wounds are not treated and healed up This results in critical crippling and catastrophic effect on the Christian Ministry Those life threatening wounds must be identified The healing of the wounded leader is essential to the Spirit well being of the people The purpose of the study is to investigate the wounds face by church leaders The study also investigates that how these wounds affect church leadership This study also identifies methods of healing of wounded leader and interventions used from transforming wounded leaders into an active and effective leader Many churches are facing numerous leadership issues due to leaders wounds Identification of this issue is important for the development and implementation of churches in America This study helps in investigating the wounds among leaders and their relationship with leadership ineffectiveness The study helps in identifying the meaning of wounds This study helps in studying impact of wounds on church leaders in detail This study classifies wounds as divorces childhood traumatic experiences such as rape molestation and physical abuse through domestic violence emotional abuse through verbal altercations and mental abuse from a sibling parent spouse authority figure or partner in a relationship For this study mixed method was done Survey interview questions and observational research were done According to the participants many of the transformational leadership concepts are transferrable into the church context however including idealized influence which espouses the leader as a role model with high moral standards and ethical conduct and as one who considers the needs of others before his or her own According to the participants Old Testament suggested there are numerous examples of leadership development in the Old Testament the short space available in this review will dictate a focus on one of the most obvious and well known leadership examples According to the respondents personality is becoming more and more associated with leadership style and ability This is particularly true when one is

discussing the concept of transformational leadership Due to leadership issues in American churches Christian community is reluctant to visit their nearby churches regularly The results depicted that due to past wounds or inner wounds the church leaders are not able to have Holy spirits The wounds must be healed up for attaining pure Holy spirits If their wounds are properly healed up then they can more firmly believe as the apostle on the super natural healings signs and miracles The unhealed wounds of the church leaders hinders in the way of the leaders for praying for the humanity or for those who are suffering from hardships regularly The lack of pastoral visitations of the members is due to the wounded souls of the leaders For increasing the pastoral visitations of the members the church leaders wounds must be healed up by using various methods Ineffective leadership is practicing in the churches these leaders are not conducting the different counseling sessions for the Christian communities The Christian communities are not interested in visiting churches because of the ineffective leadership The ineffective leadership does not encourage Christian communities towards practicing God preaching at church The church leadership is not effective to spiritually inspire Christian communities the church leadership is not effective to initiate programs which are helpful for attracting and retaining Christian communities missionary programs are not being implemented by many American churches because of lack of effective church leadership Know. John D. Basie,2021-10-12 Over the last few years the literature on Generation Z has grown rapidly However there is little that directly addresses the destructive cultural challenges to proactive discipling in this generation Know Be Live offers a holistic 360 degree approach to discipleship in a post Christian era It combines expert thought on faith and culture to equip Christ following parents of teenagers college students campus ministers and pastors **Constructing Blue Collar Leaders in a White Collar World** LaMar Herndon,2018-03-06 In Constructing Blue Collar Leaders in a White Collar World Dr LaMar Herndon considers a group of leaders often overlooked and occasionally denigrated the bivocational pastor Constructing Blue Collar Leaders in a White Collar World integrates important theoretical leadership concepts with spiritual and practical realities Dr Herndon explores important topics such as trends and issues facing the global church and its leaders leadership models values and ethics character and integrity cultural effects creativity and innovation reverse mentoring and strategic planning This book is a profoundly honest hands on guide to what constitutes a true leader serving as a bivocational minister Dr Gary Oster Regent University School of Business whether bivocational or not Rev Jewel D Williams M R E Church of God Anderson IN Author of Fearfully and Wonderfully Made Living our Theology and the Path of a Preacher **Flickering Lamps** Henry Blackaby,Richard Blackaby,2015-07-12 The majority of churches in North America today are either plateaued or in decline Christian values are under siege But what would happen if Christ came and knocked on the door of your church Would there be renewed hope Join the Blackabys as they examine what happened when Christ took control of a little church that was about to die *The Lies We Believe about God* Chris Thurman,2017-07-01 Without even realizing it many people believe lies about God such as God's love must be earned God has lost control of everything

God gives us everything we want in life In *The Lies We Believe about God* psychologist Chris Thurman explores the influences that affect everyone's view of God the cost of not knowing God for who He really is and how knowing God more intimately can bring greater meaning and joy to life This engaging biblically rooted book calls readers to see the truth of who God is truth that can set them free to enjoy a deeper relationship with Him *The Ultimate Leadership Style* Dr. Ambrose E. Edebe, 2017-08-31 Servant leadership as exemplified by Jesus is what every Christian leader is called to This ultimate leadership style is one of humility and self sacrifice You are a leader Whether the venue is your church a civic organization a company or your family this book shows you that adopting Jesus's leadership example will transform your effectiveness Leadership is influence and no leader has had greater influence on the world than Jesus Christ The lessons of his leadership style are practical learnable skills that you can apply Dr Edebe examines the leadership Jesus modeled and uncovers Christlike qualities every leader needs such as courage gentleness and truthfulness But he doesn't stop there With Jesus as the standard Dr Edebe considers how to deal with temptations and pressures you confront as a leader facing loneliness handling criticism using power wisely and passing the torch to others If you are in search of excellence in developing your leadership abilities you'll find no better guide than this close up look at Jesus the greatest leader who ever lived *Disciple Making Is . . .* Dave Earley, Rod Dempsey, 2013-08-01 *Disciple Making Is* stands as one of the most thorough books yet offered regarding how to make disciples In thirty brief hard hitting but easily accessible chapters the entire scope of disciple making is presented in a way that will inspire and inform the reader to obey the Great Commission with great passion Grounded on a solid biblical foundation authors Dave Earley and Rod Dempsey both veterans of one on one collegiate small group and local church discipleship share their practical insights on how to best reproduce reproducers of Christ's message Each compelling entry is set up to finish the sentence that begins with the book's title For example *Disciple Making Is Embracing the Cross Forsaking All to Follow Jesus Living on Mission Launching an Unstoppable Force Mentoring Disciples as Jesus Did Multiplying Disciple Makers as Paul Did Creating a Healthy Church* and more *Unlimiting God* Richard Blackaby, 2010-05-26 People have their limits Some choose to ignore them God's power and love have no limits So why do Christians put limits on their relationship with Him We could be pursuing greater knowledge experiencing deeper intimacy and abiding in freer joy and yet we routinely settle for mediocrity in our spiritual lives But if you are ready to explode your self imposed limits Dr Richard Blackaby can guide you through powerful and passionate insights revealed in this new book By contrasting mediocrity with the spirituality of the great heroes of the faith Dr Blackaby shows you that you need not settle for less than God intends for you God can do extraordinary things through ordinary people like you but only when you allow Him to enlarge your spiritual capacity and overcome your self imposed limits I hope this book inspires you to aim for a new level of walking with God I want you to reach heights in your spiritual life that you never dreamed were possible to experience God working through your life in a powerful new dimension to hear words from God that will dramatically change your life and

your world I want to help you blow past any limitations you have set for yourself in your Christian life Dr Richard Blackaby

Running with the Horses Larry Taylor Ph.D., 2013-10-15 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child's faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5

Kingdom People Living by Kingdom Principles Dalton Jenkins, 2013-07 We do not have to travel to some foreign country to locate the mission field Right here literally in our backyards the world has come to us The church's basic mission is to preach the gospel of the kingdom of God this message has social and political aspects to its application This is the fundamental responsibility of the church This message is holistic and affects the total person As the church develops a comprehensive and practical understanding of missions this will propel Christians to act out their missional call The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives To capture the full essence of missions this book introduces a process called strategic evangelism This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus to develop a better awareness of local missions and to introduce a process that will assist people to live out the mission by engaging their communities
