Emanuel Swedenborg

Spiritual Life The Word Of God:

Spiritual Life and the Word of God Emanuel Swedenborg, 2019-11-26 Emanuel Swedenborg's *Spiritual Life and the Word of God* delves into the profound relationship between human spirituality and the divine scriptures. With a blend of theological reflection and metaphysical inquiry, Swedenborg synthesizes biblical exegesis with personal revelations, emphasizing the transformative power of inner spiritual development. His literary style reflects a blend of mystical language and rational exposition rooted in the Enlightenment context where science and spirituality often intersected. The work challenges readers to see beyond the literal meanings of the scriptures, urging a contemplative examination of their inner lives in light of divine truths. A renowned Swedish scientist, philosopher, and theologian, Swedenborg's mystical experiences profoundly shaped his writings. His transition from natural sciences to spiritual inquiry was catalyzed by his encounters with the divine, leading him to explore the nature of heaven, hell, and the afterlife. This duality of his background allows Swedenborg to frame his theological insights within a rational structure appealing to both the mind and the spirit. Readers seeking a deeper understanding of the interplay between spirituality and the Word of God will find this book indispensable. Swedenborg's insights not only elevate theological discourse but also invite personal reflection, making it a vital addition to the library of anyone interested in the mystical dimensions of faith. Swedenborg, 2005-12-01 Who at this day can believe that the delight of adultery is hell in man and that the delight of marriage is heaven in him consequently so far as he is in the one delight he is not in the other since so far as man is in hell he is not in heaven from VI The Sixth Commandment Emanuel Swedenborg an 18th century inventor and man of science experienced a spiritual epiphany at the age of 56 when he began to explore Christianity from a mystic standpoint a stunning change of heart that has since intrigued and fascinated generations of rationalists and philosophers from Immanuel Kant to Arthur Conan Doyle to C G Jung Did Swedenborg go mad or is he a genuine prophet In this work an extract from Swedenborg's 1757 *Apocalypse Explained* he explores the meaning of each of the 10 commandments and discusses good truth and what it means to live a righteous life Swedish scientist and philosopher EMANUEL SWEDENBORG 1688-1772 made notable contributions in the fields of biology geology and astronomy before embarking upon his Scriptural commentary His religious writings include *The Divine Love and Wisdom* *The Apocalypse Revealed* *The True Christian Religion* and *The Last Judgment*

Spiritual Life and the Word of God Emanuel Swedenborg, 2015-07-18 The most thorough and enlightening book ever written on the subject of The Ten Commandments Spiritual life is a simple spiritual Christianity at the core of the teachings in the revelations of Emanuel Swedenborg from extracts of his larger work *Apocalypse Explained* This work sums up the majority of the core of his teachings that is easy for anyone to understand follow and apply to one's life Spiritual life is acquired solely by a life according to the commandments in the Word These commandments are given in summary in the Decalogue namely Thou shalt not commit adultery Thou shalt not steal Thou shalt not kill Thou shalt not bear false witness

Thou shalt not covet the goods of others These commandments are the commandments that are to be done for when a man does these his works are good and his life is spiritual and for the reason that so far as a man shuns evils and hates them so far he wills and loves goods The opening of the spiritual sense of the Word did come through a man who could not only receive the doctrines of spiritual life with the understanding but publish the same to the world by means of the printed page Such a man was Emanuel Swedenborg When he abandoned all other work to write the books which record and explain that which marks an epoch in both the natural and spiritual worlds he avoided the use of his titles that had been given him for outward service to mankind and styled himself simply the servant of the Lord Jesus Christ He devoted his life and money to bringing out his books in Latin the language then in general use throughout the world He placed copies in public libraries and gave some to his friends but never proselyted or tried to found a church The church to him was the Lord's kingdom among men and to it he left his work a universal legacy The truth received by men through him claims attention only because it is the truth and to ignore it is as impossible as to ignore the laws of physics It is through such a source that the Bible has now become an open book of instruction in spiritual life instead of an antiquated history It is through such a work the results of which are accessible to all who would know them that every soul may have an invulnerable and enduring faith that the Word of God is divine truth and the Bible a heaven inspired book

The Four Gospels Archbishop Averky (Taushev),2015-08-01 Writing in the tradition of biblical exegetes such as St John Chrysostom and Blessed Theophylact of Bulgaria the work of Archbishop Averky Taushev provides a commentary that is firmly grounded in the teaching of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language Using the best of prerevolutionary Russian sources these writings also remained abreast of developments in Western biblical scholarship engaging with it directly and honestly He approaches the Gospels first and foremost not as a literary work of
