 Battle Cry Bruce Dillender,2019-07-23 When it comes to God and spirituality we all have our personal opinions and beliefs If you believe in God open your heart and mind because there s so much more to discover and learn If you don t believe in God but would at least agree there has to be more to life than what meets the eye why not explore the possibility of God What do you have to lose What might you gain Considering how often we are shocked disgusted sickened and horrified by another mass shooting the existence of evil can no longer be denied Even law enforcement and the media refers to these horrific acts as acts of pure evil Then when we look at the condition of our personal lives the lives of those we care about our

family our communities our cities and the nation we can no longer ignore the evidence of the battle that exists between good and evil We are in desperate need of a spiritual awakening Our awareness and acknowledgment of the Spirit is the difference between living a life of spiritual defeat or spiritual victory Our spirituality and our dependence on the Spirit affects our personal health and spiritual development Based on what you are experiencing in your personal life are you in need of a spiritual awakening Then Battle Cry could be exactly what you need at precisely the right time When it comes to God nothing is by chance so by virtue of the fact you are in possession of this book you are one of the countless reasons why it was written

Word and Power Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the

contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today

own Mention a personal encounter with Jesus himself Encourage the reader to answer the call of God on their life **A Light to My Path** Joshua Gonzales,2024-08-29 This book is about being faithful until the end to remind the Body of Christ to remains steadfast in Gods word and his promises encourage us to live a Godly life try the promises in this book see if they work I know they will work in your favor God does not promise us a rose garden he does promise us eternal life for those who accept him as their Lord and Savior and invite Jesus into our heart I am praying that you will be inspired and encouraged by the promises God gives us that isa living hope in a very difficult world he Loves you and Wants a relationship with you to put you on the right path **Fire Bible-KJV** Hendrickson Publishers,2012-08 It started out as the Full Life Study Bible then it became the Life in the Spirit Study Bible Now we know it as the new and improved Fire Bible a reference library in one volume Originally conceived as a tool to help Pentecostal pastors and lay leaders preach teach and reach others with the Gospel this study Bible is now available in the King James Version It includes extensive notes background articles on key issues and authoritative commentary along with dozens of other unique features Created by Life Publishers International Special Features Themefinders point readers to 12 major themes of the Pentecostal tradition More than 70 articles explain historical and theological aspects of major topics Study notes for key verses Book introductionsv Subject index cross references concordance In text maps and charts One year reading plan and a color maps section Ribbon markers except on hardcovers **The Magnificent Church** Bill Vincent,2023-05-30 Start this book off right with this introduction Leaders with an Apostolic anointing are paving the way to greatness The new season of the spirit is being prepared for the leaders Leaders will be confronted by these mature faithful prophets who will announce with great authority and force that position changes are imminent True Apostles must now show their authority True Apostolic IS Coming rang out from Heaven as I began to write this sermon The prophetic message that said Apostle come forth was given to me several months ago I had no idea what was in store for me Our apostolic mission will be upon us before we know it therefore we need to gain a strong grasp on it now This sort of apostolic leadership is exemplified by Samuel None of the Lord s teachings were lost and he did not ask for food from the people Samuel s life and work have essential features that the Lord wants to pass on to the apostolic leadership that will shortly arise If we dig deep into Samuel s story we ll uncover important insights that will help us prepare for this leadership role and minister to the Father s heart Scripture tells us that when the Holy Spirit descended on Jesus to take up residence within Him a voice from above confirmed the truth of what had just happened 2 Corinthians 6 19 An angelic voice proclaimed Thou are my beloved Son in thee I am well pleased Then the Holy Spirit descended on him in the form of a dove Similar to the disciples hearing the confirming voice proclaiming Jesus to be God s Son whose words were eternal while seeing the Lord s transfiguration Apparently the attesting voice from above indicates that something can be taken for granted as factual When we have a greater grasp of the apostolic the more likely it is that we can continue this amazing work without being overwhelmed by its intensity and strength Praise be to God if we are able to faithfully carry out

this important duty with character and honesty The Lord did not allow a single word of Samuel s to be lost What a powerful demonstration of the closeness and trust between the Lord and those in authority over Him As Samuel matured the Lord was by his side and nothing he said was lost
