the highlights Jim G gives a more contemporary narration with updated references and a comparison to the steps of recovery and other religious and philosophical schools of reality It also points out the personal nature of mysticism to include prayer and meditation Included is Jim's personal theory of how our life needs to be changed from a narcissistic self arrogance to the altruistic sacrifice in helping others achieve eternal happiness In so doing God's personal grace changes our fear and anxiety into the peace of serenity whereby the tear drops leave our eyes and we can live the remainder of our journey with acceptance towards heaven on earth
