Hindu Selves in a Modern World Maya Warrier, 2004-11-10 This book explores devotional Hinduism in a modern context of high consumerism and revolutionised communications It focuses on a fast growing and high profile contemporary Hindu guru faith originating in India and attracting a transnational following The

organisation is led by a vastly popular female guru Mata Amritanandamayi whom devotees worship as an avatar and a healer of the ills of the contemporary world. By drawing upon multi-sited ethnographic fieldwork among the mata-s, primarily urban, educated middle-class Indian devotees, the author provides crucial insights into new trends in popular Hinduism in a post-colonial and rapidly modernising Indian setting.

Spiritual Tourism Alex Norman, 2011-09-22 This book investigates spiritual tourism, characterised by an intentional search for spiritual benefit from a contemporary religious studies perspective. Using field research gathered from spiritual tourism locations in Asia and Europe and utilizing contemporary scholarship on practices concerned with meaning and identity, it explores the phenomena of journeys that are taken for self-transformation, tracing the history of transformative ideas in Western cultures of travel and including the modes in which the travel experience has been communicated. Spiritual Tourism provides an important opportunity to comment on the role of tourism in contemporary conceptions of spirituality and spiritual practice in Western society.

The God Market Meera Nanda, 2011 Conventional wisdom says that integration into the global marketplace tends to weaken the power of traditional faith in developing countries. But as Meera Nanda argues in this path-breaking book, this is hardly the case in today's India. Against expectations of growing secularism, India has instead seen a remarkable intertwining of Hinduism and neoliberal ideology, spurred on by a growing capitalist class. It is this State Temple Corporate Complex, she claims, that now wields decisive political and economic power and provides ideological cover for the dismantling of the Nehru-era state-dominated economy. According to this new logic, India's rapid economic growth is attributable to a special Hindu mind, and it is what separates the nation's Hindu population from Muslims and others deemed to be anti-modern. As a result, Hindu institutions are replacing public ones, and the Hindu revival itself has become big business, a major source of capital accumulation. Nanda explores the roots of this development and its possible future, as well as the struggle for secularism and socialism in the world's second most populous country.

Mr Isherwood Changes Trains Victor Marsh, 2021-01-01 British expatriate writer Christopher Isherwood (1904-1986) moved to America prior to the Second World War and lived more than half his life in California, writing for the Hollywood studios. Famous initially for the stories he wrote during the rise of the Nazis, he attracted a second wave of interest in the 1970s with his autobiography *Christopher and His Kind* (1976). But much less is known about Isherwood's writing during his forty years as a student of a guru from the Ramakrishna Order. In *Mr Isherwood Changes Trains*, Victor Marsh interrogates the assumptions and prejudices that have combined to disparage the sincerity of Isherwood's religious life. Marsh elucidates those features of Vedanta philosophy that enabled Isherwood to integrate the various aspects of his dharma, his vocation as a writer, and a spirituality not predicated on the repudiation of his sexuality. Marsh details the heartfelt search for a home self that found expression in later works such as *My Guru and His Disciple*, and in what is seen as Isherwood's finest novel, *A Single Man* (1964).

rapidly Nowadays the products on the market are updating more and more frequently and the traditional marketing theory and brand theory fail to get with the mobile internet So what s the innovative marketing to take in the new era Since 2012 China has entered into the mobile era and became a major country of mobile internet application The book summarizes the experience of the author accumulated from many trials and errors in management and marketing innovation so as to form the pattern of management and marketing for the next 30 years Mobile Marketing Management lays the foundation for the new era with four pillars service substance superuser space known as 4S theory for short In view of the concept of customer first it is all about service and products become productized service concepts In view of the failure of mass communication the competition among all services becomes the competition of substance differentiation Regarding the popularity of self organization it becomes a trend to cooperate with people rather than the company to develop the market In view of the principle of fuzzy market boundary the enterprises shall optimize their living space and evolve their development space This book contains numerous case studies along with analysis and creates the discipline of mobile marketing management providing innovative theories methods and tools for the marketing of enterprises Through this book readers can master the marketing methods of the mobile internet era They can apply the marketing theory in this book to guide the marketing practice thus improving marketing efficiency and reducing marketing costs The Cultural Challenge Yannis

Andricopoulos,2017-11-14 A collection of the three volumes by Yannis Andricopoulos on ancient Greek wisdom applied to modern culture and society including Volume 1 In Bed with Madness Volume 2 The Greek Inheritance Volume 3 The Future of the Past In Bed with Madness Globalism endowed us with McDonald s the world s local bank English football teams without English players and an irrepressible desire for more as enough is never good enough the blanket is always too short Our personal world as much as our social and political realities seem to have blithely surrendered to the madness of a civilization which views anything from corporate greed and global warming to military adventures and religious fundamentalism as normal as a door banging in the wind The destructive capabilities of our age have run too far ahead of our wisdom However the process is not irreversible if our thinking can postpone its retirement In Bed with Madness is a well argued powerful and profound indictment of contemporary culture stylishly written a reviewer said he would have bought it just for its humour The Greek Inheritance The culture of ancient Greece a culture of joy was replaced by the Judaeo Christian culture of faith and then by the capitalist culture of profit Yet it is the only culture worth fighting for if we want a world run by humans rather than theocracies nanotechnologies or private equity funds Yannis Andricopoulos views the Greek culture as the front line of the battle against individualism materialism authoritarianism and religious extremism In a world turned into the corporations playground this is also the battle for human values civic virtues and an ethical society The Greek Inheritance traces the conflict between Greek values and those of the repressive religious or capitalist order throughout the millennia The book is challenging and well written with a light humorous touch The Future of the Past Universalism in its old forms has

just like door to door milkmen gone for good But the search for some universally accepted ethical standards cannot be abandoned values are not colourless as the wind and odourless as thoughts Looking into our world from the classical Greek point of view Yannis Andricopoulos wonders whether we cannot place Justice again at the heart of our morality look forward to the happiness of the individual rather than the upgrading of his or her consumer fantasies and endeavour to create not more wealth but a just and honourable world The Future of the Past is written in a lively challenging style guaranteeing to stimulate debate on the most pressing issues of our time

Zen in Plain English Stephan Schuhmacher,2012-01-01 No other book quite engages the reader in the kinds of perceptions and experiences that the seeker will have while following this path The Zen masters are famous for their unorthodox ways of teaching the wisdom of the thing itself Their Koans paradoxical stories and questions are designed to rid the mind of over sophisticated responses A selection of tales from the great Zen teachers this book coaxes the reader into a direct encounter with the life changing perceptions of the Zen mind Challenging us to find a solution that resolves and dissolves the knots in heart and mind the chronic cramp that prevents us from breathing freely from giving ourselves without reserve to life in all its delightful and painful facets and from being at peace with life and with death In this process we are confronted by the limits of rational meaning and we begin to understand why Zen masters use humour and paradox to lead us to the very edge of the precipice of reason and why at that critical point we are gently pushed over Stephan Schumacher s innovative format and his fresh interpretations of this fine selection of stories from the great teachers are a useful introduction to Zen practice and more importantly a welcome return to the fundamental Dharma of no self not knowing the thing itself and the beauty and precision of this moment by moment precious moment of our lives Peter Matthiessen Muryo Roshi

Refiguring Identity in Corporate Times David Vella,2023-04-01 Refiguring Identity in Corporate Times is aimed as a response to the narcissistic life strategies promoted by the marketplace It introduces an identity model that ensures a more inclusive ethical and authentic way of living ones own life script We live in a culture that requires us to create our own self interpretation Claiming to assist us in this mission are self professed experts and the public media that offer life strategies for adoption to which it is all too easy to conform to in hyper capitalized and consumerist societies Among the most popular are fashion entrepreneurship travel fitness and self spirituality which are designed by corporate companies for instant appeal and feelgood results expressing the consumerist religion of hedonistic narcissism and status The possibility of an alternative identity for todays society that is based on the experience of conscience sees our self realization as intimately related to care for others and the advancement of political and civic institutions To aspire for this identity model is to move from the distorted values of commercial life strategies to five virtues The virtues enable us to attune to what is singularly foreign in any experience signalling ways how our worldview can become more inclusive ethical and insightful in its comprehension of existence This key reading in Identity Studies provides insight into the psychology and behaviour endorsed by consumer culture charts out a new understanding of virtue ethics and

promotes life choices that steers consumers away from conformity in its capacity to stimulate the creation of a personal and authentic vision of life that involves others and societal institutions

Warrior-King of Shambhala Jeremy Hayward, 2008 Ch gyam Trungpa was born in Tibet and strictly trained in the manner traditional for re incarnations of great teachers At the age of 19 he led 300 people over the Himalayas to India in a dramatic escape recounted in his autobiography Born in Tibet Over the following 30 years Trungpa became one of the foremost pioneers of Tibetan Buddhism in the West He was also a highly controversial figure considered by many to be one of the greatest Buddhist teachers ever to come to the west and viewed with suspicion by others He taught in a style that went altogether beyond conventional ideas of what a holy man should be like dressing in ordinary western clothes drinking and taking sexual consorts He taught in English with a direct and penetrating voice that drew to him many intelligent young students These memoirs tell the story of the author Jeremy Hayward a close student and friend of Trungpa Rinpoche who became a senior teacher and administrator in the organizations Rinpoche established This intimate chronological account opens with Hayward s first meeting with Trungpa Rinpoche in 1970 and progresses year by year until Rinpoche s death and beyond Each chapter year includes some discussion of the teachings that Rinpoche was presenting at that time as well as the context and atmosphere in which these teachings occurred and the evolution of the society and organizations which he inspired The book should be of interest to all students of Buddhism as well as others interested in the evolution of Buddhism in the west and possibly other seekers on the spiritual path

Far Out Mark Liechty, 2017-02-21 Westerners have long imagined the Himalayas as the world s last untouched place and a repository of redemptive power and wisdom Beatniks hippie seekers spiritual tourists mountain climbers diverse groups of people have traveled there over the years searching for their own personal Shangri La In Far Out Mark Liechty traces the Western fantasies that captured the imagination of tourists in the decades after World War II asking how the idea of Nepal shaped the everyday cross cultural interactions that it made possible Emerging from centuries of political isolation but eager to engage the world Nepalis struggled to make sense of the hordes of exotic enthusiastic foreigners They quickly embraced the phenomenon however and harnessed it to their own ends

by building tourists fantasies into their national image and crafting Nepal as a premier tourist destination Liechty describes three distinct phases the postwar era when the country provided a Raj like throwback experience for rich Americans Nepal's emergence as an exotic outpost of hippie counterculture in the 1960s and its rebranding into a hip adventure destination which began in the 1970s and continues today He shows how Western projections of Nepal as an isolated place inspired creative enterprises and paradoxically allowed locals to participate in the global economy Based on twenty five years of research Far Out blends ethnographic analysis a lifelong passion for Nepal and a touch of humor to produce the first comprehensive history of what tourists looked for and found on the road to Kathmandu
