*Tides of Opportunity* Sadiri Joy Tira,Damples Dulcero-Baclagon,Lorajoy Tira-Dimangondayao,2024-05-21 Hope and Hospitality for Migrating People Never

have so many people left their homes and migrated to other parts of the world as we've seen in recent years. This phenomenon creates as many opportunities as challenges. We are witnessing a massive increase in urbanization, pluralization, multiculturalism, and interfaith dialogue. What are the implications for the church as it tries to reach the nations? Tides of Opportunity brings together experts from diverse backgrounds to consider the practical significance of this mass migration. The reasons for these population movements are as varied as the people. Sadiri Joy Tira explores several causes like military conflict, economic hardship, and natural disasters. The contributors not only explain such trends but suggest possible ways to engage with diaspora neighbors. Through case studies, this volume also examines lesser-known dynamics such as sex trafficking and the movement of immigrants to rural areas. This book challenges us to find more creative and integrated mission strategies for effectively reaching out to the various peoples on the move with the gospel. How will you respond to the tides of opportunity?

**Ethics in the Age of the Spirit** Howard N. Kenyon, 2019-10-29 What causes us as a people of faith to think and act the way we think and act? Are we motivated by whatever is most practical by a particular understanding of Scripture, by the influence of the culture around us, or by something more profound? On the premise that Pentecostalism does have much to contribute to the study of ethics, this book explores how one group, the American Assemblies of God, has wrestled with issues of racism, women in ministry, and Christian involvement in war. In the process, readers are invited to examine the connection or disconnect between what we believe and how we live out our faith.
