DEFEATING DEMONS Michael O. Edwards, This book will unravel dark the secrets and mysteries of the enemy that has kept many in misery A lot of Christians get demonic vexation oppression harassment torment and troubling by evil spirits It is not God s will for His people to be troubled by demons Many of God s children live their lives being troubled by evil spirits simply because they think it s normal Contrary to what many believe oppression is not normal and to be expected in a believer s life It is certainly possible for a believer to be troubled by demons but as Acts 10 38 tells us Jesus made it clear that God s will was not for His people to be oppressed harassed or troubled by evil spirits How God anointed Jesus of Nazareth with the Holy Ghost and with power who went about doing good and healing all that were oppressed of the devil for God was with him There is no excuse for a believer to have to live with demonic oppression or harassment from evil spirits I have news for you You can break free you can take authority of demons and the demonic You can walk in dominion and freedom from all of devils oppression In this book I will show you how to operate in this ministry of deliverance with ease and for you

The Spiritual Journey of a Confused Man Lance Dickson, 2010 For God is not the author of confusion but of peace as in all churches of the saints 1 Corinthians 14 33 Yet sometimes we may find ourselves in a confused state of mind not knowing where to turn or what to do This was the state I found myself when I started writing and reading my journal I found that in addition to reading the bible reading my journal brought peace to my heart and direction to my life This is not a substitute to reading the bible It was a means of reinforcing the truths that I already read in the bible I invite any military man on deployment to read this journal any father separated from his children and any man or woman who feels they may have lost their way I believe God will speak to your spirit as he spoke to mine and led me through some of the toughest situations and circumstances that I have encountered in my life I pray that you come to know God through his word and his still soft voice as you take this journey God Bless

Overhearing a Christian Apology to the Nones Thomas E. Rodgerson,2021-11-03 While the steady increase of the religiously unaffiliated Nones in America has generated anxious responses about rising secularism and loss of national identity this book suggests a wider meaning making approach wherein the Nones are seen as valuable dialogue partners necessary in this pivotal moment for the revealing of still hidden truths about culture spirituality and religion Christians who overhear this dialogue may find upon self reflection an emerging truth about their relationships embedded stories level of faith development and susceptibility to a culturally conditioned transactional religion Nones who choose to engage in dialogue may find that the nothingness they bring to the dialogue is more significant than they realize revealing truths of an apophatic spiritual path necessary for generating a transformational faith of freedom and capable of rebalancing a divisive consumer driven society The religious and the not religious who are often seen as being on opposite sides of an imagined religious threshold may instead be seen as standing together in a liminal space that opens in wordless silence to yet unseen possibilities and from which emerge new stories aligned with the heart of Creation *Overcoming Spiritual Warfare* Chief Apostle Dr. William H.
