Allen, 2012-10-02 We are holy women We are smart women We are beautiful women So why are we still single women Let's tell the truth it's easy for us to quote the scripture Wait on the Lord and be of good courage and He shall strengthen thy heart but after a while you don't want to hear that anymore As a matter of fact your toes curl your spine tingles the hair on the back of your neck rises and you cringe when someone quotes that scripture to you in answer to your singleness especially if that someone is married If it wasn't for the truth of the Word of God you would tell them to shut up and go away Life Won't Wait is for those women who are tired of waiting for Mr Right to come along Marriage is a God given innate desire however when the desire to be married becomes an obsession we can lose focus on the purpose for which God has allowed us to be single We find ourselves wasting countless hours feeling depression wallowing in self pity and complaining But we must realize that we need to seek the most productive and meaningful single life possible You can live a full productive and victorious single life to the glory and honor of God You can have the testimony of being a focused single Christian woman

Covenant Dating Beverly D. Allen, 2012-10-31 Its been said that insanity is doing the same thing over and over yet expecting different results Are you weary of the dating treadmill trying out different potential partners only to be let down again and again Dating as a believer is not meant to be casual it must focus on achieving a covenant relationship seeking only for a covenant partner Covenant dating is the biblical path to marriage for those in the dating pool who are tired of getting their hearts broken and not reaching their goal of marriage Regardless of the compromises you make to try to please another's flesh or even your own it will not bring true joy to the spirit But obedience to God and His Word which protects your heart emotions and above all your spiritual relationship with God will Covenant Dating can help all those seeking a marriage partner to abide by God's intended plan to take you to help meet status as a covenant partner It is not a list of rules but a lifestyle blueprint to guard your heart and your body Remember with God all things are possible to him that believes trusts and waits on the Lord God can do for you what He has done for countless others **From Single to Serious** Dana M.

Malone, 2018-01-31 College students hook up and have sex That is what many students expect to happen during their time at university it is part of growing up and navigating the relationship scene on most American campuses today But what do you do when you're a student at an evangelical university Students at these schools must negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships in addition to how they experience and evaluate them As they work to form successful unions students at evangelical colleges balance sacred ideologies of purity holiness and

godliness while also dealing with more mainstream notions of popularity the online world and the appeal of sexual intimacy In From Single to Serious Dana M Malone shines a light on friendship dating and sexuality in both the ideals and the practical experiences of heterosexual students at U S evangelical colleges She examines the struggles they have in balancing their gendered and religious presentations of self the expectations of their campus community and their desire to find meaningful romantic relationships

It is through a deep reflection that I have been able to frame the title of this book which is The Theatre of Love Sex Marriage and Beyond In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriage written or propounded by authors researchers psychologists sexologists and medical scientists can be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond
