*The Me I Want to Be* John Ortberg, 2009-12-22 *The Me I Want to Be* will help you discover spiritual vitality like never before as you learn to live in the flow of the spirit. Why does spiritual growth seem so difficult? God's vision for your life is not just that you are saved by grace but that you also learn to live by grace, flourishing with the Spirit flowing through you. And this book will show how God's perfect vision for you starts with a powerful promise: All those who trust in God will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit. Jeremiah 17:7-8. Pastor and bestselling author John Ortberg first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers: pain and sorrow, temptations, self-doubt, sin. To flourish even in a dark and broken world. As you start living in the flow, you will feel a deeper connection with God, a growing sense of joy, an honest recognition of your brokenness, less fear and more trust, a growing sense of being rooted in love and a deeper sense of purpose. God invites you to join Him in crafting an abundant and joy-filled life. *The Me I Want to Be* shows you how to graciously accept His invitation. Spanish edition also available, as well as a video study and study guide.

*Spirituality That Makes a Difference* Charles R. Kniker, 2022-04-07 Want to make your life more meaningful? FULL. Most of us do. This book is a guide offering ways to do just that. Charles Kniker brings fifty-plus years of listening as a teacher, preacher, observer, and writer to a conversation with you. With questions and real-life stories and solutions, he'll support you; it won't be a one-way model. The many forms of spirituality will help explore life's big questions and ultimate mysteries. With tomorrow's climate changes, pandemics, political extremism, and battered moral boundaries, we need a transformational spirituality, a spirituality deeper than a few dusty rituals, more reliable than snappy slogans from a smart phone. This book is for young adults searching for answers to major questions, mid-life seekers thankful for family, friends, and faith but needing more, and seniors whose traditional communities seem irrelevant. Chapters in Part One are on home, self, voices of influence, and healthy spiritual communities. Chapters in Part Two offer a YESS to life through various ways of joyous yearning, truth-seeking, education, soul care for yourself and others, and service to a world of neighbors. Kniker passionately believes human DNA wires us to be spiritual, transforming dreams to become deeds.

Christ's lordship and life in the kingdom back      **To Be Like Jesus** Brian G. Hedges, 2021-01-08 Forty Meditations for Your Journey Toward Christlikeness The Christian life is a journey of spiritual and moral transformation into the glorious image and likeness of God's Son the Lord Jesus Christ This journey is lifelong We begin this journey when we first believe in Jesus but will not reach our final destination until the final resurrection when our bodies will be raised transformed and glorified as we are fully and finally conformed to the image of Christ As with any lengthy journey sometimes Christians lose their way We can become disoriented and confused We mistake the terrain we have already traversed lose sight of the road on which we tread and forget the destination to which we travel Sometimes we take detours Or we get stuck on the side of the road All of us sometimes need help In *To Be Like Jesus* Brian G Hedges provides a series of encouraging road signs brief meditations with questions for personal reflection and application to help you in your journey toward Christlikeness      Knowing Grace Joanne J. Jung, 2012-01-05 *Knowing Grace* complements the spiritual discipline writings out there by looking at the disciplines through a grace filter the key dimension to discipline empowerment      Perspectives on Prayer and Spirituality Maurice Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title *Perspectives on Prayer and Spirituality* alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known      **If You Want to Walk on Water Get Out of the Boat** John Ortberg, 2011-03-31 Out on the risky waters of faith Jesus is waiting to meet you and offer you his Holy Spirit power that will change your life forever deepening your faith and trust in God      *Practicing the Way* John Mark Comer, 2025-01-07 NEW YORK TIMES BESTSELLER The author of *The Ruthless Elimination of Hurry* calls us to rediscover the path that leads to a deeper life with God One of the most important books I have read in a decade If we would all follow in this way our lives would change and the world would change Jennie Allen author of *Get Out of Your Head and Find Your People* We are constantly being formed by the world around us To be formed by Jesus will require us to become his apprentice To live by what the first Christian disciples called a Rule of Life a set of practices and relational rhythms that slow us down and open up space in our daily lives for God to do what only God can do transforms the deepest parts of us to become like him This

introduction to spiritual formation is full of John Mark Comer's trademark mix of theological substance and cultural insight as well as practical wisdom on developing your own Rule of Life. These ancient practices have much to offer us. By learning to rearrange our days we can follow the Way of Jesus. We can be with him. Become like him. And do as he did. **Grit to Stay Grace to Go** Sue Eenigenburg, Eva Burkholder, 2023-05-30 Don't Leave Too Soon Don't Stay Too Long Staying isn't always good and leaving isn't always bad. Both require grit and grace. Cross cultural ministry presents us with many difficulties like transitions loneliness messy relationships and the desire to escape. The lies we believe tempt us to leave our work too soon. But nothing tests our resolve to stay like seeing others go. Grit to Stay Grace to Go normalizes the challenges of ministry through honest and humorous stories from the authors' own lives as well as testimonies from many other workers. The point is to help cross cultural workers not just to stay but to stay well by countering lies with truth. This workbook provides thoughtful reflection questions practical action steps and suggested prayers. It encourages stayers to process their grief guilt and relief when saying goodbye to goers. In this way they can move forward with forgiveness and humility and truly bless the departing ones. Those considering leaving will find poignant questions and spiritual practices to help them make an intentional not reactive decision. Are you considering leaving the field? Or do you know someone who is? Work through this book by yourself or with others. You will gain wisdom to help workers develop grit and grace to stay or go. **Gifts** John Ortberg, Laurie Pederson, Judson Poling, 2009-12-19 Gifted that's you. Lives well lived not just words eloquently spoken must become our response.
