## **Spiritual Guide For The Pregnant Woman:**

*Spiritual Guide Through Pregnancy* Margaret Hammer, 1997 For many women pregnancy is a time when they feel especially attuned to life's mysteries and meaning especially to God in their lives The collection of meditations found in Margaret Hammer's *A Spiritual Guide through Pregnancy* offers reflections on the Bible's food for the soul Meditations are grouped in ten thematic chapters to correspond to the nine months of pregnancy and the first month after birth Each meditation begins with a verse or two from the Bible and concludes with a short prayer The meditations can be read as part of personal devotions or used to stimulate thoughts and reflections for journaling This book is also an ideal shower gift Expectant mothers may want to share the book's meditations with a husband or friend or use them as discussion starters in a pre-natal support group In addition there are questions for reflection discussion or journaling at the end of each chapter At the back of the book is a list of additional Bible passages and a short annotated list of books for further reading

*Spiritual Guide for the Pregnant Woman* Phyllis Beech, Linda Dougan, 2006-02-01 What comes before the Baby Book The *Spiritual Guide* for

the Pregnant Woman A New Tradition Many books address the changes that are occurring in a woman's body at this time but nothing will feed your spiritual and emotional being the way this book does I knew you before I formed you in your mother's womb Before you were born I set you apart and appointed you as my spokesman to the world Jeremiah 1:5 Did you know that God already recognizes your baby has blessed him/her and has given this child a divine purpose Jeremiah 1:5 is the foundation scripture of the Spiritual Guide for the Pregnant Woman This familiar verse has new meaning when it is personalized for the expectant mom The Guide is organized by the trimester and chronicles the nine month development period The Spiritual Guide for the Pregnant Woman is intended to be a keepsake something that you hand down to your child when he/she becomes a teenager Why then Our experience has shown us that during adolescence there is often a disconnect between the mother and the child That's when you present your child with this book It will prove to your child that they were always loved that they bonded with you even before they were born and very much connected to you We think of this guide as becoming a family unifier and a booster to your child's self esteem Beginning a new tradition and creating a spiritual bond between mothers and their unborn children is the motivation of this Spiritual Guide With this book you can record for posterity the most memorable journey of your life
