Spiritual Life And The Word Of God:

Spiritual Life and the Word of God Emanuel Swedenborg, 2015-07-18 The most thorough and enlightening book ever written on the subject of The Ten Commandments Spiritual life is a simple spiritual Christianity at the core of the teachings in the revelations of Emanuel Swedenborg from extracts of his larger work Apocalypse Explained This work sums up the majority of the core of his teachings that is easy for anyone to understand follow and apply to one's life Spiritual life is acquired solely by a life according to the commandments in the Word These commandments are given in summary in the Decalogue namely Thou shalt not commit adultery Thou shalt not steal Thou shalt not kill Thou shalt not bear false witness Thou shalt not covet the goods of others These commandments are the commandments that are to be done for when a man does these his works are good and his life is spiritual and for the reason that so far as a man shuns evils and hates them so far he wills and loves goods The opening of the spiritual sense of the Word did come through a man who could not only receive the doctrines of spiritual life with the understanding but publish the same to the world by means of the printed page Such a man was Emanuel Swedenborg When he abandoned all other work to write the books which record and explain that which marks an epoch in both the natural and spiritual worlds he avoided the use of his titles that had been given him for outward service to mankind and styled himself simply the servant of the Lord Jesus Christ He devoted his life and money to bringing out his books in Latin the language then in general use throughout the world He placed copies in public libraries and gave some to his friends but never proselyted or tried to found a church The church to him was the Lord's kingdom among men and to it he left his work a universal legacy The truth received by men through him claims attention only because it is the truth and to ignore it is as impossible as to ignore the laws of physics It is through such a source that the Bible has now become an open book of instruction in spiritual life instead of an antiquated history It is through such a work the results of which are accessible to all who would know them that every soul may have an invulnerable and enduring faith that the Word of God is divine truth and the Bible a heaven inspired book New Church Review Volume 14 1907 Contents Part First THE SPIRITUAL LIFE I How Spiritual Life is Acquired II Goods of Charity III Shunning Evils IV Cleansing the Inside V What Religion Consists In Part Second THE COMMANDMENTS I The First Commandment II The Second Commandment III The Third Commandment IV The Fourth Commandment V The Fifth Commandment VI The Sixth Commandment VII The Seventh Commandment VIII The Eighth Commandment IX The Ninth and Tenth Commandments X The Commandments in General Part Third PROFANATIONS OF GOOD AND TRUTH I Goods and Truths and Their Opposites II The First Kind of Profanation III The Second Kind of Profanation IV The Third Kind of Profanation V The Fourth and Fifth Kinds of Profanation Part Fourth THE DIVINE WORD I The Holiness of the Word II The Lord is the Word III The Lord's Words Spirit and Life IV Influx and Correspondence V The Three Senses of the Word VI Conjunction by the Word VII The Sense of the Letter Spiritual Life and the Word of God Emanuel Swedenborg, 2019-11-26 Emanuel Swedenborg's *Spiritual Life and the Word of God* delves into

the profound relationship between human spirituality and the divine scriptures With a blend of theological reflection and metaphysical inquiry Swedenborg synthesizes biblical exegesis with personal revelations emphasizing the transformative power of inner spiritual development His literary style reflects a blend of mystical language and rational exposition rooted in the Enlightenment context where science and spirituality often intersected The work challenges readers to see beyond the literal meanings of the scriptures urging a contemplative examination of their inner lives in light of divine truths A renowned Swedish scientist philosopher and theologian Swedenborg's mystical experiences profoundly shaped his writings His transition from natural sciences to spiritual inquiry was catalyzed by his encounters with the divine leading him to explore the nature of heaven hell and the afterlife This duality of his background allows Swedenborg to frame his theological insights within a rational structure appealing to both the mind and the spirit Readers seeking a deeper understanding of the interplay between spirituality and the Word of God will find this book indispensable Swedenborg's insights not only elevate theological discourse but also invite personal reflection making it a vital addition to the library of anyone interested in the mystical dimensions of faith

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey,2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be
