Measuring Spiritual Maturity Randy Tompkins, 2019-10-21 Jesus commissioned His apostles and by extension the church to make disciples Many church leaders have come to the conclusion that attending worship services and Bible study classes will result in making disciples A review of statistical reports indicates a majority of church members and attenders do not believe this process will work or they have come to the conclusion they do not want to become disciples The 2010 US Religion Census report indicated 79% of the 150 686 156 members children and other attenders did not attend worship services It also reported over 60% of the same group did not attend Bible study classes In 2014 one of the major denominations in the United States reported 63% of church members did not attend worship services and 62% did not attend Bible study classes There are literally thousands of spiritual surveys available to church leaders A majority of these surveys develop conclusions based on a single survey being administered or two surveys being administered several months apart If a disciple making process is to be effective there needs to be a method of measuring the progress of individuals moving toward spiritual maturity This type of measurement would produce a visual of spiritual growth spiritual decline or spiritual non growth The only way to measure the spiritual progress of an individual is to create a measurement of the various elements of the spiritual life The process of measuring spiritual maturity in this book is self contained within the participating church and the responses of the participating individuals are highly confidential and warehoused by the participating church

Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential

component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you **Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink,2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book Biblical Discipleship Essential Components for Attaining Spiritual Maturity However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature Teaching for Spiritual Growth Perry G. Downs,1994 Teaching for Spiritual Growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth **Breaking Through Towards Spiritual Maturity** Paris Davis,2004-07 Are you wondering what God is driving you towards how to move towards that God has for you or how to align yourself with God s divine order for your life If so this book is definitely for you **Aiming at Maturity** Stephen W. Rankin,2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In Aiming at Maturity Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research Aiming at Maturity shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart *Breaking Through Towards Spiritual Maturity* Paris D Davis,2004-07 Spiritual Maturity J. Oswald Sanders,1994 Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these concise chapters J Oswald Sanders explores the primary source of continual growth As we embrace God s providence hardship and more we can

move from infancy toward the fruitful maturity we were created to enjoy Now this new edition of Spiritual Maturity includes a For Reflections section making it an ideal resource for both individual and group study **It's Time To Grow Up** Randall J Brewer, 2019-08-08 The church is in trouble The ways of the world are creeping in and it's gotten so bad that Christians think they can live like everyone else They think they can pick and choose what to believe and what not to believe as long as it conforms to the way they want to live It's gotten to the point where you can't tell who's saved and who isn't It's for this reason that believers need to take their Christianity seriously and grow up It's Time To Grow Up is an in depth study of the book of James in the New Testament a book that will lead you step by step on your quest to spiritual maturity Randall J Brewer has been teaching and conveying the Word of God for more than thirty years Gifted with the Holy Spirit's willingness to express God's attitude and clarification of the Word Randall has distributed a myriad of his publications worldwide over the years Countless ministers are using Randall's teaching as a basis for their sermons study guides and training seminars Randall and his beautiful wife Anne Marie have been bonded together by one God with one love for one purpose Their mission in life is to encourage all believers to rise up in the midst of their adversity and become all they were meant to be in and through the Lord Jesus Christ
