Spiritual Poems And Messages:

Spiritual Poems and Messages Layton Terry, 2005-07-11 This entire collection of poems was written based on the things that have inspired me throughout my life *THE COLLECTED WORKS of SPIRITUAL and LOVE POEMS* Linda Pate, 2019-10-11 My book of poetry is about Spiritual and Love poems My spiritual poems are primarily about my family and dealing with birth loss and reincarnation My love poems are about the love relationships I have had throughout the years from a little girl to present Also being born in the south in the 50 s and moving to California when I was still fairly young gave me insight to what segregation was about which is reflected in a few of the poems Quite a few of the poems are based on dreams I have had and others are about how I express my feelings about someone or a particular situation **52 Poems about Spiritual Principles** Stanley Scott Jr , 2024-05-30 Welcome to 52 Poems Practicing 52 Spiritual Principles This collection of poetry is a journey through the heart and soul exploring the power of spiritual practices Each poem is a reflection on a specific spiritual principle inviting you on a journey of self discovery and growth The idea for this book came from a desire to go deeper into the wisdom of spiritual principles and to share what I learned along the way Over the course of a year I committed to writing one poem each week focusing on a different spiritual principle The result is a fabric of verses that together highlight the beauty and significance of these timeless teachings The principles explored in this book are universal going beyond religious boundaries and speaking to the goodness within us all From surrender and honesty to compassion and gratitude each poem offers a detailed perspective on how these principles can be applied in our daily lives As you read through these pages I invite you to approach each poem with an open heart and mind Allow the words to resonate with your own experiences and aspirations Take time to reflect on the messages received and consider how you can apply these principles into your own spiritual life The structure of this book is designed to encourage a weekly exploration of each principle You may choose to read one poem per week using it as a focal point for meditation journaling or discussion with others Alternatively you may prefer to read the poems in sequence allowing the build up of wisdom to wash over you It is my deepest hope that these poems will serve as a source of inspiration comfort and guidance on your spiritual path May they remind you of the incredible potential within you and the power of living in alignment with these timeless principles As you embark on this poetic journey remember that the true essence of spirituality is not in the words themselves but in the way they come alive within you May these poems be a springboard for your own spiritual awakening guiding you towards a life of purpose peace and profound connection with God society and self God-Given Messages of Love Bertha Venson, 2009

Hazrat Inayat Khan,2020-09-28 The ideal perfection called Baqa by Sufis is termed Najat in Islam Nirvana in Buddhism Salvation in Christianity and Mukhti in Hinduism This is the highest condition attainable and all ancient prophets and sages experienced it and taught it to the world Baqa is the original state of God At this state every being must arrive some day consciously or unconsciously before or after death The beginning and end of all beings is the same difference only existing during the journey There are three ways in man s journey towards God The first is the way of ignorance through which each must travel It is like a person walking for miles in the sun while carrying a heavy load on his shoulder who when fatigued throws away the load and falls asleep under the shade of a tree Such is the condition of the average person who spends his life blindly under the influence of his senses and gathers the load of his evil actions the agonies of his earthly longings creating a hell through which he must pass to reach the destination of his journey With regard to him the Qur an says He who is blind in life shall also be blind in the hereafter The next way is that of devotion which is for true lovers Rumi says Man may be the lover of man or the lover of God after his perfection in either he is taken before the King of love Devotion is the heavenly wine which intoxicates the devotee until his heart becomes purified from all infirmities and there remains the happy
