Spirituality As Insight Mystical Texts And Theological Reflections:

Spirituality as Insight Frans Maas, 2004 This book is concerned with mystical texts and theological reflection with reference to spiritual insight in the first place the author shows with reference to two great figures in the Christian mystical tradition Meister Eckhart and John of the Cross how coming to insight involves a three fold rhythm being touched losing one's sight and the finding of insight as this relates to the quality of life The author discusses in the next chapters three other authors Therese of Lisieux Etty Hillesum and Dag Hammarskjöld They were themselves readers of mystical literature and stand closer to us in time Current questions of meaning especially as it relates to suffering influence the framework in which they viewed quality of life In their writings one can see an unmistakable growth to an extraordinarily intensive experience of God which enables them to face life with a more than ordinary power and inspiration *Mystical Theology and*

Contemporary Spiritual Practice Christopher C. H. Cook, Julianne McLean, Peter Tyler, 2017-09-08 In *Mystical Theology and Contemporary Spiritual Practice* several leading scholars explore key themes within the Christian mystical tradition contemporary and historical The overall aim of the book is to demonstrate the relevance of mystical theology to contemporary spiritual practice Attention is given to the works of Baron von Hugel Vladimir Lossky Margery Kempe Ludwig Wittgenstein Thomas Merton and Francisco de Osuna as well as to a wide range of spiritual practices including pilgrimage spiritual direction contemplative prayer and the quotidian spirituality of the New Monasticism Christian mystical theology is shown to be a living tradition which has vibrant and creative new expressions in contemporary spiritual practice It is argued that mystical theology affirms something both ordinary and extraordinary which is fundamental to the Christian experience of prayer **Spirituality in the Writings of Etty Hillesum** Klaas Smelik, Ria van den Brandt, Meins G. S.

Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914-1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines As a Consuming Fire, Wisdom Claire Dumont, 2007 In a lovely book *As a Consuming Fire Wisdom* Claire Dumont shares with us her very profound personal experience of the Wisdom Spirituality proposed by Saint Louis

Marie de Montfort in his masterpiece *The Love Eternal Wisdom* Claire Dumont vividly describes the passionate loving

relationship with God in which de Montfort invites us to enter Those who will accept his guidance will be profoundly transformed freed from their anxiety pacified and encouraged to find their own happiness in the love and service of others Thus the consuming fire of divine love will spread throughout a world which needs it so much **Etty Hillesum** Ria van den Brandt, 2014 The diaries and letters of the Dutch Jewish Etty Hillesum Middelburg 1914 Auschwitz 1943 have received worldwide attention and have inspired many readers This book offers a transparent and concise introduction to the thought and life of Etty Hillesum It succeeds in evoking Hillesum s testimony of life through the reflection on her crucial themes and the use of many impressive citations from her diaries and letters Series Adjustment Self Assertion Resistance Anpassung Selbstbehauptung Widerstand Vol 36 **Etty Hillesum and the Flow of Presence** Meins G. S. Coetsier, 2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler s regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective Etty Hillesum and the Flow of Presence analyzes the life and writings of Hillesum from the standpoint of Voegelin s views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum s mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin s analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin s philosophy and Hillesum s Dutch language materials He shows how mystical attunement to the flow of presence Voegelin s designation for human responsiveness to the divine is the key to the development of Hillesum s life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual s contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum s life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin s thought **The Blue Sapphire of the Mind** Douglas E. Christie, 2013 In The Blue Sapphire of the Mind Douglas E **Embracing Solitude** Bernadette Flanagan, Beverly Lanzetta, 2013-11-12 Embracing Solitude focuses on the interior turn of monasticism and scans the Christian tradition for women who have made this turn in various epochs and circumstances New Monasticism is a movement assuming diverse forms in response to the turn to classical spiritual sources for guidance about living spiritual commitment with integrity and authenticity today Genuine spiritual seeking

requires the cultivation of an inner disposition to return to the room of the heart The lessons explored in this book from women spiritual entrepreneurs across the centuries will benefit contemporary New Monastics both women and men The accounts will inspire challenge and guide those who follow in the footsteps of the renowned spiritual innovators profiled here

Saint Francis of Assisi Theo H. Zweerman, Edith Goorbergh (A.C. van den), 2007 However interesting and important the stories by his contemporaries are there is no better place to discover the most profound inspiration of Saint Francis of Assisi than in his own writings These prayers poems proverbs rules and letters are a gold mine for those who wish to delve into his thoroughly biblical spirituality He reveals himself in them as being someone who was permanently touched and marked by his encounter with Christ In brief the seeker of God who considered his fellow creatures as his brothers and sisters someone who even these days still exerts an unequalled magnetism due to his radical following of Christ However this does not mean that his biblically inspired radiance does not need to be translated to the challenges of modern life This is because the eight centuries separating us from him form a wide chasm In a small way this book endeavours to contribute to the actualisation of Francis charisma a freely chosen life style characterised by having no possessions as well as by courageous service and courteous respect to others What can his biblical art of living signify for the modern individual who jealously guards his or her freedom in a world marked by excessive planning and omnipresent technology and who at the same time is usually not quite sure for whom or for what he or she is actually free

Literary Epiphany in the Novel, 1850-1950 S.

Kim, 2012-09-14 This book studies literary epiphany as a modality of character in the British and American novel Epiphany presents a significant alternative to traditional models of linking the eye the mind and subject formation an alternative that consistently attracts the language of spirituality even in anti supernatural texts This book analyzes how these epiphanies become spiritual and how both character and narrative shape themselves like constellations around such moments This study begins with James Joyce inventor of literary epiphany and Martin Heidegger who used the ancient Greek concepts behind epiphaneia to re define the concept of Being Kim then offers readings of novels by Susan Warner George Eliot Edith Wharton Virginia Woolf and William Faulkner each addressing a different form of epiphany

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty

Hillesum's path to spiritual freedom *Kierkegaard Bibliography* Peter Šajda, Jon Bartley Stewart, 2016 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Provided by publisher **The Ethics and Religious Philosophy of Etty Hillesum** Klaas A.D. Smelik, Meins G.S. Coetsier, Jurjen Wiersma, 2017-02-06 The Ethics and Religious Philosophy of Etty Hillesum contains the proceedings of the second international Etty Hillesum Congress at Ghent University in January 2014 and is a joint effort by fifteen Hillesum experts to shed new light on the life works and vision of the Dutch Jewish writer Etty Hillesum 1914-1943 one of the victims of the Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism it is evident that this book will be invaluable to students and scholars in various disciplines *Spiritual Torrents* Jeanne Marie Bouvier de la Motte Guyon, 2019-11-22 In *Spiritual Torrents* Jeanne Marie Bouvier de la Motte Guyon presents a profound exploration of the soul's journey toward divine union Through her lyrical prose and reflective style Guyon delves into the complexities of spiritual experience emphasizing the importance of inner purification and surrender to God The book is intricately woven with mystical themes and draws from the rich traditions of 17th century French spirituality reflecting the fervent discourse on faith and the inner life that characterized this era Guyon's work engages the reader in a contemplative dialogue guiding them through the turbulent waters of spiritual development with an assurance born from profound personal experience Guyon a pivotal figure in the Quietist movement faced both acclaim and persecution for her radical views on mystical spirituality which prioritized personal experience over institutional dogma Her background as the daughter of a noble family coupled with her own struggles against the constraints of societal expectations deepened her commitment to exploring the depths of the soul Her life experiences and close association with influential spiritual figures of her time informed her writing making her insights both authentic and timeless *Spiritual Torrents* is highly recommended for those seeking a deeper understanding of their spiritual journey as it offers rich insights and encouragement for navigating the complexities of faith

Readers will find solace in Guyon's words as they are led through an intimate and transformative exploration of faith that resonates through the ages

The Mystic Way in Postmodernity Sue Yore, 2009 This book challenges experiential esoteric and colloquial understandings of mysticism by bringing a fresh relevance to the term through an interdisciplinary dialogue between literature, mysticism and theology in the context of postmodernity. In order to achieve this, the author takes selected writings of Iris Murdoch, Denise Levertov and Annie Dillard and incorporates them into various stages of a redesigned mystic way. The fourteenth-century mystic Julian of Norwich is invoked throughout as a role model whom these three writers seek to emulate as popular writers, contemplatives and theologians. As theologians who are concerned with the pressing issues of our age, Grace Jantzen, Dorothee Soelle and Sallie McFague are drawn on as conversation partners to complete the three-way discussion. The author maintains that understanding the writing and reading of creative texts in the context of practical mysticism facilitates an integrated approach to the use of literature for theological expression.

Julian of Norwich and the Problem of Evil Richard Norton, 2023-10-26 Julian of Norwich's *Revelations of Divine Love* grapples with the same fundamental question that has vexed philosophers and theologians since the advent of monotheistic religion and continues as a barrier to belief for many today Namely if God is so good how can natural disaster genocide trauma and my present suffering occur Historically there have been two apparently very different approaches to the problem the pastoral or practical on the one hand and the systematic on the other However Richard Norton suggests that these two lines of thought may not be as separate as they seem and may indeed be dependent on one another for their cohesion Drawing on Julian's medieval experience of personal and population wide suffering alongside that of more recent theologians such as Dorothy Solle and Jurgen Moltmann Norton constructs a compassionate model of theodicy that can be of use to both pastoral and systematic theologians Throughout he remains sensitive to the raw atrocity of evil while preserving a vision of God as the one who ensures that all shall be well
